Certified Radon Service Providers (RSP). The listed RSP has met the listed agency's criteria for certification, completed required Continuing Education Courses as specified by their certification agency and paid the required fee to be certified. The two Radon Certification Agencies are: NEHA-NRPP (**http://neha-nrpp.org**) and NRSB (**http://www.nrsb.org/**)

Non-Certified Radon Service Providers. The listed RSP has completed an accredited Radon training course conducted by one of the following Radon Training Centers:

a. Radon Training Course website: **http://www.radoncourses.net/**
b. EPA Accredited Radon Training Centers website: **http://www.epa.gov/radon/rrtcs.html**
c. Radon.com Radon Training Centers website: **http://www.radon.com/radon/radon_training.html**

Radon Service Providers in this category are not certified by either NEHA-NRPP or NRSB. Though not certified, they have completed an accredited training course and their Course Completion documentation is on file with the Wyoming Radon Program.

Certification and Course Completion Certificates. Though not required, it is highly encouraged that all RSPs' conducting business in Wyoming be certified by NEHA-NRPP or NRSB. Wyoming has no laws regarding Radon Measurement or Radon Mitigation Service Providers.

In order to be listed on the Wyoming Radon Program website, an RSP doing business in Wyoming must be certified by NEHA-NRPP, NRSB or properly trained by successfully completing an accredited Radon Measurement and / or Mitigation course, have passed the required written examinations in Measurement and Mitigation and receive a Course Completion Certificate from one of the accredited Radon Training Agencies listed above and have their training documentation on file with the Wyoming Radon Program.

This list is provided as a service by the Wyoming Department of Health, Radon Program. It does not represent an endorsement by the WDH of companies, products, services, efficacy, efficiency, compliance with local building codes or any applicable national, state or local standard. This list is for informational purposes only and is not all inclusive.

Point-of-Contact is Steven M. Melia, MSPH, Radon & Lead Program Manager / 1-307-777-6015 steve.melia@wyo.gov
