Zoonotic Disease/Adverse Health Events Report from Wyoming Regional Veterinary Public Health Coordinators For Week Ending 4/15/2011

(Based on Reporting from 38 Veterinary Clinics and Other Sources)

Matthew Cherni, DVM- Region 1 (Sheridan, Johnson, Campbell. Crook, Weston)

Johnson County-The Buffalo Police Department and a health care provider reported on the home quarantine of a vaccinated dog that bit a child. The child was bitten through a fence by the dog.

Richard Schwahn, DVM- Region 2 (Natrona, Converse, Niobrara)

Natrona County-A veterinary clinic reported a case of giardia in a puppy.

David Evertson, DVM- Region 3 (Carbon, Albany)

Albany County-Health care providers and the Laramie Police Department/Animal Control reported a negative rabies test on a dog that had bitten an individual on the face. The dog was euthanized after the incident due to aggressive tendencies. Also reported was the home quarantine of a dog that bit an individual. The bite victim was attempting the pet the dog at the time of the incident.

Carbon County-A human salmonella case where there was exposure to baby chicks and goats as well as other exposures is being investigated. WSVL and WPHL reported a *Salmonella Give* (B3262) case in a bovine with a PFGE match to the cases reported last week in Albany County and Carbon County.

Paul Jensen, DVM, MPH- Region 4 (Sweetwater, Lincoln, Uinta)

Sweetwater County-The Rock Springs Police Department/Animal Control reported on the home quarantine of a vaccinated dog that bit two individuals. The bite victims were riding bicycles at the time of the incident.

Uinta County- WSVL and WPHL reported on a bovine *campylobacter jejuni* (B4153) case with PFGE matches to previous Wyoming bovine cases reported since 2002.

Lincoln County-A health care provider reported on an individual bitten by a dog. Animal control information is pending on the incident.

Jim Summers, DVM- Region 5 (Fremont, Sublette, Teton, WRIR)

WGFD-Wyoming Game and Fish Department
WSVL-Wyoming State Veterinary Laboratory
WPHL-Wyoming Public Health Laboratory
PFGE- Pulse Field Gel Electrophoresis
PEP-Rabies Post Exposure Prophylaxis

Nothing to Report

T**im Graham, DVM**- Region 6 (Park, Hot Springs, YNP, Big Horn, Washakie)

Big Horn County- A veterinarian reported seeing an unusually large number of pigs born dead at three different hog farms.

Gary Norwood, DVM- Region 7 (Laramie, Platte, Goshen, WAFB)

Laramie County-A human non-O157 Shiga-toxin-producing *Escherichia coli* case where there was contact with pets is being investigated. Cheyenne and Laramie County Animal Control reported five bite incidents. All of the incidents involved dog bites to humans. Three of the dogs were current on rabies vaccinations and were quarantined at home. One dog was not current and was quarantined at a veterinary clinic. Circumstances surrounding the incidents included an individual bitten by a running-at-large-dog, an individual bitten while trying to break up a dog/cat fight, an individual bitten when encountering a dog being walked on a leash, and an individual bitten by her own dog when she dropped food on the floor and attempted to pick up the food.

Goshen County- WSVL and WPHL reported on a bovine *campylobacter jejuni* (B4152) case with PFGE matches to previous Wyoming bovine cases reported since 2005.
