Cultural Competency Training

Wyoming Office Of Multicultural Health and Eastern Wyoming College

Torrington

Please join Dr. Jose Reyes and take the cultural competency journey. Come heighten your awareness, learn new skills, and answer some informative questions such as:

What is cultural competency?

What is a health and healthcare disparity?

What are the CLAS* standards and why are they important?

***CLAS is the acronym for the National Standards for Culturally and Linguistically Appropriate Services in Health Care that provides the framework for all health care organizations to best serve the nation's increasing diverse communities.**
