Zoonotic Disease/Adverse Health Events Report from Wyoming Regional Veterinary Public Health Coordinators For Week Ending 10/14/2011

(Based on Reporting from 32 Veterinary Clinics and Other Sources)

Matthew Cherni, DVM- Region 1 (Sheridan, Johnson, Campbell, Crook, Weston)

Sheridan County-Veterinarians reported seeing a case of feline roundworms and a case of canine giardiasis.

Richard Schwahn, DVM- Region 2 (Natrona, Converse, Niobrara)

Converse County-Possibly rabid skunks have been reported in the County. The skunks were noted to be wandering during daylight hours. Attempts will be made to test some of the skunks for rabies.

David Evertson, DVM- Region 3 (Carbon, Albany)

Nothing to report

Paul Jensen, DVM, MPH- Region 4 (Sweetwater, Lincoln, Uinta)

Sweetwater County-The Rock Springs Police Department reported on a child bitten by a stray dog. The dog could not be located by animal control. The bite victim was counseled regarding rabies PEP.

Uinta County-The Evanston Animal Control/Animal Shelter reported on the quarantine of a vaccinated dog that had bitten a bicycle rider. The Shelter also reported a negative rabies test on a bat that was brought to the Shelter by a citizen.

Lincoln County-The Lincoln County Animal Shelter reported a positive parvovirus (not zoonotic) test on a puppy.

Jim Summers, DVM- Region 5 (Fremont, Sublette, Teton, WRIR)

WRIR-A human salmonellosis case where there was contact with puppies is being investigated.

Tim Graham, DVM- Region 6 (Park, Hot Springs, YNP, Big Horn, Washakie)

Hot Springs County-WSVL and WPHL reported a canine methicillin resistant *Staphylococcus aureus* case (C17040) with a close match to a recent human case.

Park County-The Cody Police Department/Animal Control reported on the Shelter quarantine of a dog that had bitten a child. The child was riding a bike at the time of the incident.
