Wyoming Medication Donation Program

## Available Inventory as of April 22nd, 2020

CLOSED the 2nd Wednesday of each month for program maintenance

The donated inventory may vary considerably and is best used as a short-term solution to solve immediate needs. Some long-term prescription assistance alternatives include Wyoming Equality Care, prescription assistance programs offered through the drug manufacturers, or the Federal Insurance Exchange.

Dispensing Sites cannot order the "DOH" medications to have on hand. However, their patients may access the "DOH" medications via the mail through standard WMDP procedures.
