WyPA
WYOMING PIPELINE ASSOCIATION

Dear Sir or Madam,

WyPA would like to invite you and all key personnel that could potentially be involved in responding to a pipeline emergency, which may include the 911 dispatch operator, supervisor, or a volunteer, to attend a FREE pipeline safety emergency response program. The local pipeline operators are hosting meetings at fifteen (15) locations across the state in 2010.

These meetings, sponsored by the pipeline companies, are for pipeline emergency response preparedness. In order for pipeline operators to gain the highest levels of public safety and environmental protection, liaison with emergency officials must be developed and maintained.

WyPA member companies will provide you and your representatives with the following:

- ✓ *Great meal*
- ✓ Company *giveaways*
- ✓ *For Law Enforcement – 2 hours of POST accredited training*
- ✓ Interactive *presentation*
- ✓ *Tabletop exercise*
- ✓ Opportunities for questions and discussion with local pipeline personnel
- ✓ *AND* an opportunity to win a door prize of a *GPS unit* and *gift cards* at every meeting!
