Wyoming Medication Donation Program

Available Inventory as of August 12th, 2020

CLOSED the 2nd Wednesday of each month for program maintenance.

The donated inventory may vary considerably and is best used as a short-term solution to solve immediate needs. Some long-term prescription assistance alternatives include Medicare, Medicaid, and prescription assistance programs offered by drug manufacturers (PAP).

Dispensing Sites cannot order the "DOH" or "KS" medications to have on hand. However, their patients may access the "DOH" or "KS" medications via the mail through standard WMDP procedures.
