307-777-1941

The mission of the WOMH is to minimize health disparities among underserved populations in the state through networking, partnerships, education, collaboration, and advocacy, and to promote culturally competent programs aimed at improving health equity.

The State Partnership Grant Program to Improve Minority Health, #STTMP071036, was awarded to the Wyoming Office of Multicultural Health in the amount of \$125,000 which is 100% federal funding from the federal Office of Minority Health, U.S. Department of Health and Human Services.

# Cultural Competency Training

## Wyoming Office of Multicultural Health

### Cheyenne

**WHEN: Wednesday, November 14, 2012  
9:00am-4:00pm**

**WHERE: Combined Laboratories Facility  
Conference Room  
208 South College Dr.  
Cheyenne, WY 82002**

**Please join Dr. Jose Reyes and take the cultural competency journey. Come heighten your awareness, learn new skills, and answer some informative questions such as:**

**What is cultural competency?**

**What is a health and healthcare disparity?**

**What are the CLAS\* standards and why are they important?**

\*CLAS is the acronym for the National Standards for Culturally and Linguistically Appropriate Services in Health Care that provides the framework for all health care organizations to best serve the nation's increasing diverse communities.

**To register online visit: [www.womh.org](http://www.womh.org)**

Dr. Jose Reyes is a national presenter and consultant on the topic of Cultural Competence and Human Relations with emphasis on program development and consumer advocacy.

Dr. Reyes has over 20 years experience in program development, public health, culturally competent delivery systems, child welfare, and migrant health. He has consulted nationally with The Annie E. Casey Foundation, AT&T Employee Assistance Program, The National Football League Security Office, The National Institute of Mental

Health Child and Adolescent Service System Program and several nationally known migrant service networks like the Migrant Clinicians Network and Migrant Health Promotion.

*We look forward to working with you to eliminate health disparities in Wyoming.*
