

December 19, 2012

To all agencies not currently paying for kits or testing, this letter is to let you know that WCTP will be changing its current billing format. As of January 15, 2013 we will no longer be able to continue offering free kits and testing. Ordering kits of any kind will mean that your agency will be invoiced, and required to pay for the kits before you receive them. The charges for testing are as follow:

- UA kits will be \$9, that fee covers the basic 8 panel drug screen, and a GC/MS confirmation to confirm any positives from the basic panel, if enough sample was collected to perform a second test. Other drug screens can be added on the submittal form, but will require you to include a check or credit card authorization form with the kit, to cover the extra costs:

Methadone- \$9

Propoxyphene- \$9

ETG- \$9

Oxycodone-\$9

Inhalants- \$23

Spice- \$23

The credit card authorization form can be found on our website:

<http://www.health.wyo.gov/phsd/lab/chemintro.html>

- The 8 panel drug screen includes:
  - Amphetamine
  - Barbituates
  - Benzodiazepines
  - Cocaine
  - Alcohol
  - Opiates
  - PCP
  - THC
  - Creatinine level
- Saliva kits will be \$14, which covers the basic 4 panel drug screen, and any additional testing to confirm a positive from the basic panel.
  - The 4 panel drug test includes:
    - Cocaine
    - Methamphetamine
    - Opiates
    - THC

Thomas O. Forslund, Director

Governor Matt Mead

- Blood kits will be \$9.50, which covers the basic 10 panel drug screen plus alcohol, and additional testing to confirm a THC positive.
  - The 10 panel drug screen plus alcohol includes:
    - Amphetamine
    - Barbituates
    - Benzodiazepines
    - Cocaine
    - Opiates
    - Oxycodone
    - Methadone
    - PCP
    - PPX
    - THC
    - Alcohol
- Onsites are \$3.34 per kit, the boxes come with 25 kits per box
- Also there is a flat \$9 shipping charge no matter how many you order

Please note that for any urine kits that you currently have, after 1/15/13 you will need to include a voucher in your kit to make them valid for testing. The vouchers can be purchased starting January 1, 2013. We will discount the price to \$8 if you use kits you already have. If you do not have any vouchers, you will need to include a check or a credit card authorization form for the full listed price. Also, any samples with a collection date of 1/15/13 and after that do NOT have a voucher, check, or credit card authorization form will be held for two weeks from the date received, we will notify your agency before disposal of samples without vouchers or payment received between January 15 and January 25. Starting January 26<sup>th</sup> any sample received without voucher or payment will be disposed of without notification.

If you have any questions please call Melody Clinton at 777-7449.

Sincerely,

Tom Johnson
