The Wyoming Department of Health (WDH) seeks a Senior Administrator to the Director's Unit for Policy, Research and Evaluation (DUPRE). As the Senior Administrator you will have a significant impact on Wyoming citizens' health by leading your team to identify and support rapidly changing policies, rules, and laws; and find system approaches that will promote, protect, and enhance the health of all Wyoming Citizens.

DUPRE seeks an individual to work with the diverse participants statewide to use their vision, passion, and commitment to health policy in facilitating the Department's performance evaluation initiative "HealthStat"; and developing policy approaches and advocacy to improve health outcomes in a rural and frontier State.

Enjoy a small town atmosphere only 90 miles from Denver, Colorado, with no state income tax, a 4% state sales tax and one of the lowest combined sales tax rates in the United States (U.S.). Cheyenne has an average of 300 days of sunshine each year with nearby access to world class skiing, hiking, fishing, hunting, three scenic state parks and numerous other outdoor activities. Wyoming is home to Yellowstone and Grand Teton National Park, both designated as crown jewels in the National Park system.

This challenging and rewarding opportunity provides the ease of living in a smaller city and close enough to enjoy the attractions of a major metropolitan city like Denver. Five major universities are located within 90 miles of Cheyenne in addition to Laramie County Community College in Cheyenne. Come see why [WWW.Moneyrates.Com](http://www.moneyrates.com) lists Wyoming as the #5 best states to make a living in 2013, and Money Magazine lists Cheyenne in the top 100 Best Places to Live in the U.S.
