

RULES AND REGULATIONS FOR
EMERGENCY MEDICAL SERVICES

CHAPTER 11

MEDICAL DIRECTOR STIPENDS

[This chapter is repealed.]

~~Section 1. Authority. The authority for this rule is Section 3(d) of Senate Enrolled Act. 51, 59th Legislature (2008) (enacted).~~

~~Section 2. Purpose. These rules and regulations establish the requirements of the medical director stipends to promote physician involvement with the local ambulance service, and establish the requirements of the physician medical director in order to be able to receive the monthly stipend.~~

~~Section 3. Definitions. The following definitions shall apply in the interpretation and enforcement of this rule only. All other terms apply as defined in Chapter 1 of these rules.~~

~~(a) "Physician Medical Director" means a Medical Doctor (MD) or Doctor of Osteopathy (DO) licensed in Wyoming who is responsible for the medical supervision of ambulance services.~~

~~Section 4. Funding. An ambulance service's physician medical director meeting the requirements of this chapter may receive monthly stipends in the amount of five hundred dollars (\$500.00).~~

~~Section 5. Eligibility Requirements. To receive the monthly stipend, a Physician Medical Director shall contract with the Office of Emergency Medical Services (OEMS) and shall:~~

~~(a) Serve as the medical liaison between the ambulance service and the OEMS;~~

~~(b) Attend the OEMS's medical director's training program once during the two (2) year period;~~

~~(c) Participate in, at a minimum, a one (1) hour quarterly meeting with the ambulance service in order to review patient care reports of patients transported by the ambulance service;~~

~~(d) — Participate in a quarterly telephone conference call with the OEMS's Medical Director;~~

~~(e) — Attend, once during the biennium for which the stipend funds were issued, the OEMS's annual Wyoming Trauma Conference;~~

~~(f) — Develop and maintain a close working relationship with the OEMS's Medical Director; and~~

~~(g) — Participate in other activities that would occur infrequently but would require the expertise and presence of the physician medical director for their identified ambulance service.~~

~~Section 6. — Time Limitation. — This appropriation shall be for the period beginning July 1, 2008 and ending June 30, 2010.~~
