

**October 2016**

## **Status Update for Wyoming MMIS WINGS Project Activities**

The Wyoming Department of Health, Division of Healthcare Financing, MMIS Replacement Project Team for the Wyoming Integrated Next Generation System (WINGS) will provide periodic updates for WINGS Project activities.

Below are key focus areas and updated time lines for the October 2016 status update report. The WINGS project has received Federal (CMS) approval for release of the following RFPs. It is anticipated the State will request and receive CMS approval for the Benefit Management Services (BMS) component within the next six months.

1. The Software Testing – Quality Assurance/Quality Control Services Request for Proposal is anticipated to be released in January 2017.
2. The Fraud, Waste, Abuse Analytics and Case Tracking (FWA) Request for Proposal is anticipated to be released in February 2017.
3. The Data Warehouse with Data Analytics/Business Intelligence Tools (DW-DA/BI Tools) Request for Proposal is anticipated to be released in March 2017.
4. The Third Party Liability Services (TPL) Request for Proposal is anticipated to be released in April 2017.

The following WINGS project RFPs have been released to the vendor public through State A&I Procurement in the Public Purchase Online Bidding System.

- ❖ The Independent Verification and Validation (IV&V) Services RFP #0054-B was released 8/31/2016 with proposal submissions due by 10/5/2016 2pm MT.

- ❖ The System Integrator/Enterprise Service Bus (SI/ESB) RFP #0080-B was released 9/30/2016 with proposal submissions due by 11/30/2016 2pm MT.

To receive vendor bid notifications when WINGS project RFPs are available, please register with the State of Wyoming, Administration and Information, General Services, Procurement Section using a web based e-Procurement service - Public Purchase - at the following link:

<https://www.publicpurchase.com/gems/register/vendor/register>

- ❖ If you experience any issues with registering in the Public Purchase On-line Bidding System, please contact the Public Purchase technical support for help and not Wyoming A&I Procurement Division. Thank you.

A WDH-Healthcare Financing, WINGS project web page has been created for vendors to check periodically for posted project activity/timeline updates and related WINGS information.
