

One22 Presents The Community Interpreter® International Training Program

October 10-17, 2018

One22, in partnership with the Office of Health Equity of the Wyoming Department of Health, is pleased to bring The Community Interpreter International back to Jackson, WY. The Community Interpreter International is the only national certificate program for community interpreting in the U.S. The course requires a mandatory language assessment prior to the start date, and will run from Wednesday, 10/10 through Monday, 10/15 with an optional medical terminology session on 10/16 and an introduction to simultaneous interpretation session on 10/17.

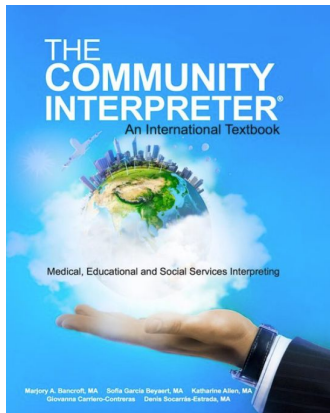

40-Hour Certificate Program

Eligible for Continuing Education Credits

REGISTRATION DEADLINE:

Saturday, October 6th

To register, call One22 307-739-4500

Course instructor Giovanna Carriero Contreras is the Founder & CEO of Cesco Linguistic Services. She chairs the U.S. national delegation for interpreting and translation standards at the International Standardization Organization (ISO TC 37/SC 5) and co-authored the latest edition of The Community Interpreter® International textbook.
