

The Sublette County Rural Health Care District is currently seeking a forward thinking individual for the position of Emergency Medical Services Director. The EMS Director will supervise day-to-day ambulance activities, departmental operations, and personnel. A paramedic certification level and a minimum of six years of experience is preferred. Relocation to Sublette County is required.

The Sublette County Rural Health Care District encompasses all of Sublette County. There are currently two manned facilities within the county. The District has two medical facilities that have emergency departments attached, one offering 24 hour a day/ 7 days a week emergency service. The closest hospital is 77 and 90 miles from the two clinics. This is truly a rural emergency service.

Pinedale, WY (pop. 2009) is located approximately 77 miles south of Jackson Hole at the foothills of the Wind River Mountain Range. Big Piney/Marbleton, WY (pop. 1644) is located approximately 90 miles south of Jackson Hole at the foothills of the Wyoming Mountain Range. We offer world-class fishing, hunting, and recreational activities at your doorstep. The White Pine Ski Area and groomed snow machining trails are some of the winter recreational activities the area also has to offer. Our excellent school districts have both recently added new elementary facilities. A nine hole golf course, community libraries, and an aquatic center are available to the entire county. .
