ARTICLE 16 - DRUG DONATION PROGRAM
Wyoming Statutes as of September 2009

35-7-1601. Short title.
This act shall be known and may be cited as the "Drug Donation Program Act".

35-7-1602. Definitions.
(a) For purposes of this act:

(i) "Prescription drug" means a pharmaceutical drug which is required by any applicable federal or state law to be dispensed only pursuant to a health care provider's prescription; and

(ii) "Health care facility" means as defined in W.S. 35-2-901(a)(x) and that is additionally authorized to maintain an inventory of pharmaceutical drugs for dispensing to the facility's patients or residents.

35-7-1603. Drug donation, redispensing and disposal program established; minimum requirements.

(a) The department shall establish pursuant to its rules and regulations a voluntary drug donation and disposal program as provided in this section.

(b) The drug donation and redispensing program shall have the following features:

(i) Any person or entity, including but not limited to a drug manufacturer, physician or health care facility, may donate drugs to the drug donation program;

(ii) Drugs may be donated at a donation site maintained by the department, a take back event approved by the United States drug enforcement agency or at a physician's office, a pharmacy or a health care facility that elects to participate in the program and meets criteria established by the department;

(iii) Drugs shall be redispensed under the drug donation program only if they are in their original, unopened, sealed packaging or, if the outside packaging is opened, the
contents are single unit doses that are individually contained in unopened, tamper evident packaging;

(iv) A drug shall not be redispensed within two (2) months of its expiration date or if the drug appears to be adulterated or misbranded in any way;

(v) Drugs in the donation program may be dispensed under the Medical Assistance and Services Act;

(vi) Drugs shall be delivered either to the department's central collection facility, a take back event approved by the United States drug enforcement agency or one (1) of its regional collection facilities;

(vii) Drugs available for redispensing shall be inventoried and posted on a list of drugs available for redispensing on the department's internet website.

(c) The drug drop off and disposal program shall have the following features:

(i) Drop off locations shall be located with donation sites as provided in paragraph (b)(ii) of this section or local law enforcement agencies approved by the United States drug enforcement agency to the extent necessary under federal law;

(ii) Procedures shall be maintained for the documentation of all collected unused medication;

(iii) Procedures shall be maintained for the environmentally safe disposal of unused medications;

(iv) The department shall provide for public education of potential participating consumers about the availability of the drug disposal program and proper and effective disposal of unused medications;

(v) The department shall cooperate with law enforcement agencies to the extent required for the collection under law enforcement supervision or the secure collection, storage, transport and destruction of controlled substances.

**35-7-1604. Program participants.**

(a) A physician, pharmacy or health care facility that accepts donated drugs under the drug donation program shall
comply with all applicable provisions of state and federal law relating to the storage, distribution and dispensing of such drugs and shall inspect all donated drugs prior to dispensing to determine if they appear to be adulterated or misbranded in any way.

(b) Donated drugs may be distributed to another participating physician, pharmacy or health care facility for dispensing.

(c) Donated drugs shall only be dispensed to a patient pursuant to prescription as required by law.

(d) A physician, pharmacy or health care facility may charge a handling fee for distributing or dispensing drugs under the drug donation program, as established by department rules and regulations, but shall not otherwise resell or charge for donated drugs.

35-7-1605. Participant immunity.

(a) In the absence of bad faith, any person who participates in donating, accepting, distributing or dispensing drugs under this act shall be immune from civil or criminal liability or professional disciplinary action of any kind for any related injury, death or loss. No person, in the absence of bad faith, shall be liable for the bad faith of another relating to the provisions of this act.

(b) The immunity provided by this section shall not decrease or increase the civil or criminal liability of a drug manufacturer, distributor or dispenser that would have existed but for the donation.

35-7-1606. Rules and regulations; agency cooperation.

(a) The department, in cooperation with the Wyoming board of pharmacy, shall promulgate rules and regulations implementing the drug donation program established by this act. Initial rules shall be promulgated within ninety (90) days after the effective date of this act and shall include:

(i) Eligibility criteria and other standards and procedures for participating physicians and health care facilities;
(ii) Necessary forms for administration of the drug donation program, including forms for persons donating, accepting, distributing or dispensing drugs under the program;

(iii) Maximum handling fees;

(iv) Categories of drugs that the program will and will not accept.
