

WHAT IS WIC FRAUD?

-  Buying, exchanging, selling, or giving away a WYO W.E.S.T. card or WIC food benefits
-  Selling or giving away WIC foods or formula on eBay, Craigslist, Facebook, or any other social media site
-  Providing false information or failing to report changes to the WIC Program to become eligible for benefits or to continue receiving benefits (i.e., incorrect household size, income, and guardianship)

PLEASE report a WIC participant or grocer whom you suspect of suspicious activity or fraud to the WIC Program by calling 1-888-996-9378.

Misusing the WIC Program takes away food and services from all WIC participants.
