

CHAPTER 7

Rules and Regulations for Substance Abuse Standards

Recovery Support Services for Substance Abuse Services

Section 1. Authority. These rules are promulgated by the Wyoming Department of Health pursuant to W.S. § 9-2-2701 and the Wyoming Administrative Procedure Act at W.S. § 16-3-101, *et seq.*, to establish standards for community substance abuse prevention, early intervention, recovery support services and treatment services, and to provide a full continuum of quality, research-based, best practice substance abuse services to Wyoming citizens.

Section 2. Recovery Support Services, Non-Residential.

(a) Services must meet all applicable standards, Chapter 1 and 2, including the following service description.

(b) Description of Services. Recovery support services include four types of non-clinical support including social, emotional, informational, instrumental, and affiliation support. Recovery support services may be provided through the continuum of change with the recovery process. Individuals in accessing this level of care must have a current DSM diagnosis with support documentation showing ASAM dimensional criteria was reviewed and this level of service is appropriate.

Section 3. Supportive Transitional Drug-Free Housing Services.

(a) Services must meet all applicable standards, Chapters 1, 2 and 4, Section 6, and Chapter 6, Section 15, Physical Plant, including the following service level requirements.

(b) Description of Services. Supportive transitional drug-free housing services are non-clinically staffed, low intensity, peer-supported, life skills development living or housing environments. Supportive transitional housing services are independent facilities certified to provide supportive housing services with access to peer support, which include independent living skills development and stable functioning level in the community.
