

**Wyoming Section 1915(b) Waiver**  
CMS Shared Informal Feedback on Drafts: 01/XX/15

*Please note that CMS is sharing its initial informal feedback on the draft section 1915(b) waiver amendment and draft cost effectiveness worksheet. However, CMS continues to review this draft waiver amendment request and may have more questions upon official submission and potentially even on an informal review basis as well.*

*Also please note that all question references below correspond to the State's draft section 1915(b) waiver amendment and draft cost effectiveness worksheet shared with CMS on 12/15/15.*

- 1) Please update page 3 of the waiver preprint to indicate this is a waiver amendment rather than an initial request for a new waiver.
- 2) Please update the effective dates of the waiver amendment on page 4 of the waiver preprint.
- 3) The Tribal Consultation section of Section A: Program Description will need to be updated when Tribal Consultation has been completed.
- 4) The Program History of Section A: Program Description will need to be updated to include the changes implemented since the last approval
