

CONVERSE COUNTY DRUGS OF ABUSE FACT SHEET

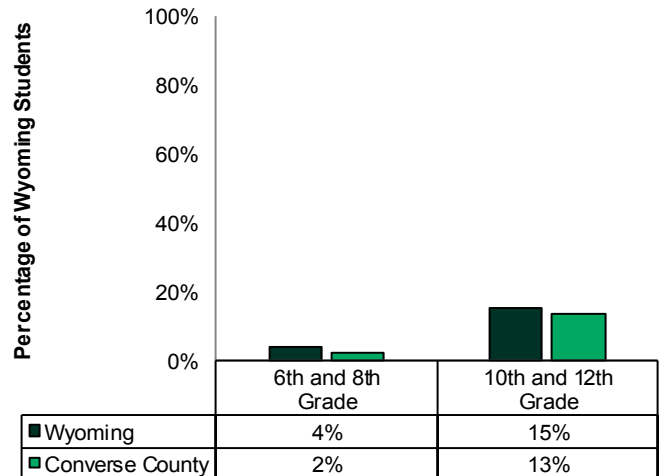

WYOMING STATE EPIDEMIOLOGICAL OUTCOMES WORKGROUP

COUNTY AND STATE HIGHLIGHTS

- For the 2009 to 2013 combined-year average, Converse County experienced the highest arrest rate for all drug abuse violations, totaling approximately two times greater than the statewide average (973 vs. 559 per 100,000 population, respectively).
- For the 2008 to 2012 combined-year average, Converse County 10th and 12th graders ranked fourth lowest in the state for the percentage of students reporting using cocaine on more than one occasion in the past 30 days.
- When compared to the national arrest rate in 2012, youth in Wyoming are approximately 3.5 times more likely to be arrested for a drug abuse violation (565 vs. 145 respectively).

30-DAY MARIJUANA USE (YOUTH)

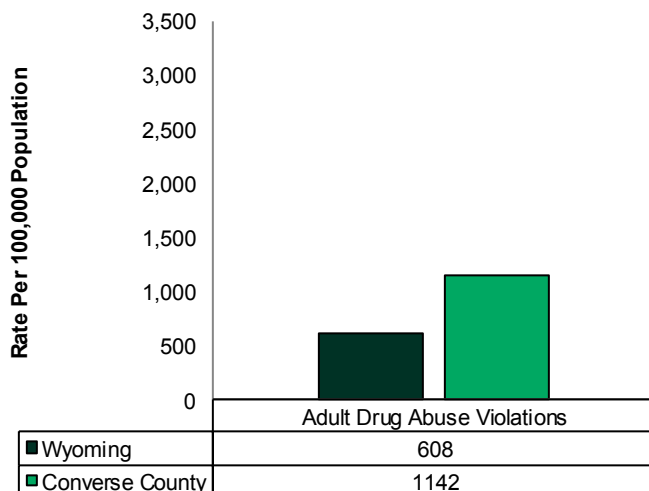

Definition: The percentage of Wyoming students who reported using marijuana on one or more occasions during the past 30 days.
