

SNAP Resources

Policy:

Each nutrition project offers information to ensure that the maximum number of older adults within the project are benefiting from the USDA Supplemental Nutrition Assistance Program (SNAP) as members of households certified for such assistance under USDA regulations.

- A. Offer information in obtaining SNAP benefits to each eligible participant at the time of intake;
- B. Follow through upon request by referring eligible participants who desire to apply for SNAP benefits, such as contacting the local County Department of Family Services office for eligibility requirements;
- C. Ensure that nutrition sites accepting SNAP benefits shall follow the provision related to the use and handling of SNAP benefits, as prescribed by the state and local agency authorized to operate the program, are met; and
- D. Not utilize part D or Material Aid funds for grocery vouchers.
