2018 Grant Revisions
Marge reported that two centers had made her aware they had made changes because of changing employees; but no line items had been changed.

We can review any changes before the April meeting. You can revise up to 25% without Board approval; but let us know of these changes. Anything over 25% must be approved by Board action.

WASPD Report by Lisa Engstrom, President
They had a good meeting in February with Legislators as they were eating lunch. Had good opportunity to give education to many of them. Nothing major is being done at the moment.

Aging Division CLS Report:
Lisa Osvald could not attend today as she is ill.

Dirk gave the report for the Aging Division. He introduced Kaitlyn Livingston who is now part of the Community Living Service department. He spoke of Jeff Clark, a new employee as a Life Quality and Insurance specialist. Jeff will make yearly visits, which must be done. One third will get on-site reviews and the rest will get reviews from Jeff.

February grants will be out in early May and centers will have 6-8 weeks to get them returned (June or July deadlines.)

New updates have been made to C program, B program is being reviewed to update.

CLS has a new webpage; it has training and SAM questions and videos for review.

Employees in the CLS section are Heather Welch, Jeanne Scheneman, Jeff Clark, Kaitlyn Livingston and Betty

Public Comments: Question was asked for Tom Dunlap’s address and it was supplied.

Old Business: none

New Business:
Review FY2019 Budget and Formulas Grant Funding. Terry moved to accept the budget and Julie seconded. Motion carried. Budget was handed out. Shows and increase of $100,000 per year. Carryover of $85,000 for Formula Grants. Discussed changing 200 and 900 account series. Will make no changes now, perhaps will do so in 2020. Wage grants and Silver Haired legislature are line markers in case they are re-instituted in the future.

Kristen reminded that the Formula Grant funding is based on number of providers, C1 and C2 counts, Medicaid meals, services and satellites provided. Basic and Formula grant funding for 2019. Moved by Rick and seconded by Terry to approve. Motion carried.

Electronic Meetings during Inclement Weather: Dirk indicated that according to the Public Meetings Act action cannot be taken without an open meeting. Conference call allowed to take action with its use on Join Me or other similar sites. Terry raised the question based on previous opinions from the Attorney General’s Office. Dirk will check once again with Attorney General’s office.

Reminder – Third quarter reports due on April 13.
Laptops – Elouise will take one for Secretarial work.

Meeting adjourned by Chairperson Marge Myers at 11:55 a.m.

Respectfully submitted by Elouise Rossler, Recording Secretary
