Colorectal Cancer Screening Program

Enrollment Guide

Revised April 24, 2018

Welcome to the Colorectal Cancer Screening Program

This Enrollment Guide provides information about the Wyoming Cancer Program, Colorectal Cancer Screening Program. Please read the information below carefully. If you have questions at any time, contact the program at 1.800.264.1296.

Choosing a Provider and Making an Appointment

- Included with this guide is a list of contracted healthcare providers in your county. If you would like a list of contracted healthcare providers from another county, please contact our office.
- Schedule an appointment with a contracted healthcare provider. Some healthcare providers may require an office visit, blood work, and/or an electrocardiogram (ECG or EKG) prior to your colonoscopy.
- Be sure to go to your scheduled appointments! **Your healthcare provider can bill you for missed appointments.**
- Present your enrollment card at the time of your appointment. This will ensure your healthcare provider sends your billing information to the correct program.
- Remind your healthcare provider to use an **enrolled pathology and/or surgical center** for your screening. The program can only make a payment to contracted healthcare providers and centers.

Frequently Asked Questions

How long can I be in this program?

Enrollment periods are for one year. You may reapply for the program as long as you meet the program eligibility criteria.

Generally, clients age 65 and older may qualify for Medicare Part B, which may cover colonoscopy procedures. If you are 65 or older, it is encouraged that you apply for Medicare Part B.

What if I have had a colonoscopy exam recently?

If an applicant has received a colonoscopy within ten years prior to the time of application, authorization for a rescreen will be made on a case-by-case basis. Let the program know if you have had a colorectal cancer screening within the month prior to your enrollment in this program. If the appointment was made with a contracted healthcare provider, the program *may* be able to cover the cost of your appointment, as long as it is a service covered by the program.

What if my financial or insurance status changes?

When you signed the application, you agreed to notify the program if your financial or insurance status changed. Call the program if anything changes at 1.800.264.1296.

What if I only have Medicare Part A?

Medicare Part A does not affect your eligibility to remain in the program.

What should I do if I lose my enrollment card?

Call the program at 1.800.264.1296 and the program can issue you a new card.

Can I change my healthcare provider?

Enrolled clients can choose their healthcare provider, however, the program can only reimburse contracted healthcare providers. For a current list of all contracted healthcare providers in the program, call the program at 1.800.264.1296 or visit the program’s website at www.health.wyo.gov/cancer.

What if I receive a bill from a healthcare provider for a service I thought was covered by the program?

Your healthcare provider should send bills directly to the program. If you receive a bill in the mail for a service covered by the program, call 1.800.264.1296.
