This form shows the available community mental health center programs, the American Society of Addiction Medicine (ASAM) substance use disorder levels of service, and, the substance use disorder recovery support services and special population designations that the Behavioral Health Division (Division) certifies. The below listed community mental health programs, ASAM levels of service, substance use disorder recovery support services, and substance use disorder special population designations are available for provider selection within the online applications. **Please retain a copy of this form for reference and for possible future use. This document is not required of providers who provide the information within the online application.**

This form may be utilized by providers between renewals who wish to request added levels of service to existing certification. Please complete this form, and preferably email it as an attachment, to the Certification Program Manager at wah-certification@wyo.gov, with a written request (email is acceptable) for desired added service(s) and/or special population designations. Please also submit a copy of an updated policy and procedure document – that supports the proposed levels of service and/or special populations to be added. Please use as many copies of this form as is necessary for all provider locations.
