PUBLIC NOTICE

Intent to Adopt Amended Rule
Wyoming Department of Health

Public notice is hereby given that the Wyoming Department of Health, Division of Healthcare Financing proposes to adopt the following Amended Rule:

Wyoming Medicaid Rules
Chapter 33 – Reimbursement of Outpatient Hospital Services

The Wyoming Department of Health proposes to amend Chapter 33 of the Wyoming Medicaid Rules pursuant to its statutory authority in the Wyoming Medical Assistance and Services Act at Wyoming Statutes §§ 42-4-101 through -121. Chapter 33 governs providers, defines covered services, and establishes processes for rate calculations for Outpatient Hospital Services.

The Chapter 33 Amended Rule adds language regarding the calculation and payment of the annual Qualified Rate Adjustment (QRA) payment and the quarterly Private Hospital Supplemental payment to Medicaid-enrolled eligible providers. The Centers for Medicare and Medicaid Services (CMS) approved a Wyoming Medicaid state plan amendment for implementation and administration of both supplemental payment programs, and has authorized matching federal funds for allocation to qualifying providers based on the methodology outlined.

The amendment also updates the rule’s formatting and standard provisions in order to comply with current requirements.

As required by Wyoming Statute § 16-3-103(a)(i)(G), this proposed change meets minimum substantive state statutory requirements.
