

Funding Opportunity Guidelines

The Wyoming Department of Health, Communicable Disease Unit, provides funding opportunities for HIV, STD, and viral hepatitis prevention activities. These activities include:

1. Marketing
2. Condom Distribution
3. Education
4. Harm Reduction
5. Testing Events

Funding Details:

- Funding amount: \$100.00 - \$1,499.00
- Application period: January 1, 2019 – December 1, 2019
- Application deadline: December 1, 2019

Funding Guidelines

- Agencies may apply for more than one project per year.
- To receive funding for special projects, entities will be awarded funds once the project evaluation has been completed and approved; all invoices must be billed to the Wyoming Department of Health no later than December 31, 2019.
- No funding will be given for food, salaries, stipends, or scholarships

List of recommended supply distributors

- Condoms, Dental Dams, Lube, etc.
 - Global Protection Corporation: www.globalprotection.com/store
 - Total Access Group: www.totalaccessgroup.com
- Educational Materials
 - Channing Bete Company: www.channing-bete.com
 - Total Access Group: www.totalaccessgroup.com
 - ETR Associates: www.etr.org
 - Journeyworks Publishing: www.journeyworks.com
 - American College Health Association: www.acha.org

Applicants are not required to use these distributors for purchasing materials. These distributors are establishments the Communicable Disease Unit has ordered supplies from in the past and recommends these products based on both pricing and quality of materials.

Reporting

A final report must be submitted no later than 30 days after event end date in order to receive funding. Aggregate data must be provided electronically with the final report. Funding for prevention materials

(condoms, brochures, etc.) does not require further reporting. The information provided within the application is sufficient.

Application Submissions

Applications may be submitted at any time prior to December 1, 2019. Funding approval will be at the discretion of the Communicable Disease Unit Funding Opportunity Review Committee and dependent on availability of funds. The review process takes 2 to 4 weeks. Applicants will be notified of approval, denial, concerns or correction via email within 4 weeks of verified submission.
