

Public and Tribal Notice  
Wyoming Department of Health, Medicaid  
Addition of Licensed Midwives to State Plan

March 5, 2019

Public and Tribal notice is hereby given that effective July 1, 2019 and pursuant to Enrolled Act No. 27 of the 2019 General Session, the Wyoming Department of Health, Division of Healthcare Financing (Medicaid) will enroll and reimburse for the services of midwives as licensed pursuant to the Midwives Licensure Act (W.S. 33-46-101 through W.S. 33-46-108).

To receive reimbursement for services provided to Medicaid clients, licensed midwives will be required to enroll with Medicaid. Reimbursement rates will be established according to the current physician fee schedule and will not be subject to cost sharing requirements.

The proposed change will update language adding “licensed midwives” to the “Other Practitioners” in section 6.d. of Attachment 3.1A.

Wyoming Medicaid estimates this programmatic change to be budget neutral.
