The state provides Medicaid to otherwise eligible residents of the state, including residents who are absent from the state under certain conditions.

A. Mandatory Residency Requirements

The state considers individuals under the following conditions to be residents of the state:

1. Non-institutionalized individuals age 21 and over, or under age 21, capable of indicating intent and who are emancipated or married, if the individual is living in the state and:
   
   a. Intends to reside in the state, including without a fixed address, or
   
   b. Entered the state with a job commitment or seeking employment, whether or not currently employed.

2. Individuals age 21 and over, not living in an institution, who are not capable of indicating intent, are residents of the state in which they live.

3. Non-institutionalized individuals under 21 who are not emancipated or married and who are not receiving payments under Title IV-E of the Social Security Act:
   
   a. Residing in the state, with or without a fixed address, or
   
   b. The state of residency of the parent or caretaker, in accordance with 42 CFR 435.403(h)(1), with whom the individual resides.

4. Individuals living in institutions, as defined in 42 CFR 435.1010, including foster care homes, who became incapable of indicating intent before age 21 and individuals under age 21 living in institutions who are not emancipated or married:
   
   a. Regardless of in which state the individual resides, if the parent or guardian applying for Medicaid on the individual's behalf resides in the state, or
   
   b. Regardless of in which state the individual resides, if the parent or guardian resides in the state at the time of the individual's placement, or
   
   c. If the individual applying for Medicaid on the individual's behalf resides in the state and the parental rights of the institutionalized individual's parent(s) were terminated and no guardian has been appointed and the individual is institutionalized in the state.

5. Individuals living in institutions who became incapable of indicating intent at or after age 21, if physically present in the state, unless another state made the placement.

6. Individuals who have been placed in an out-of-state institution, including foster care homes, by an agency of the state.

7. Any other institutionalized individual age 21 or over when living in the state with the intent to reside there, and not placed in the institution by another state.

8. Individuals receiving IV-E payments living in the state, or

9. Individuals who otherwise meet the requirements of 42 CFR 435.403.
