

Skills Review Course May 1, 2020

Located in Afton, WY

Course Sponsored by Western Wyoming Healthcare Coalition

Audience: EMTs, AEMTs, Paramedics, RNs, Flight Providers

FREE FOR WYOMING PROVIDERS

Medical Provider Skills Practice and Evaluation

The course utilizes Wyoming State and National Registry standards. Some of the topics to be covered:

Airways Skills to include Surgical Airway Practice and Preserved Lung Demonstration

Patient Assessment - Medical and Trauma including treatment for all levels

Cardiac Arrest Management

Breathing, Ventilation and Ventilator

Circulation, Hemorrhage and Shock– Assessment and Treatment

Technology Assisted Patients - Assessment and Treatment

Critical Thinking Patient Scenarios for all Levels

This day will consist of back-to-back scenarios, utilizing hi-fidelity simulation. Each scenario will begin with BLS response and migrate through elevated levels of care, as permitted by student Scope of Practice. Each scenario will be evaluated and debriefed. A full and intense day of fun hands-on skills, critical thinking and learning. You will be exhausted and fulfilled at the culmination of this day!

Skills competitions with prizes will be available.
