<sup>1</sup>Percentages are based on the number of births for each year. Percentages are rounded and may not add to 100% due to rounding error. Please be cautious when interpreting small numbers (fewer than 20 events) because these data do not meet the requirement for a minimum degree of accuracy.

<sup>2</sup>Early Term births (37-38 weeks) are calculated using the obstetric estimate of gestational age.

\*Numbers less than five are not displayed.

**Data Source:** Birth Certificate Data from Vital Statistics Services, Wyoming Department of Health. **Information compiled by:** Maternal and Child Health Epidemiology
