For Now. Not Forever.

In Wyoming, our ability to be good neighbors to each other is what's always set us apart—and our ability to continue that, even now, is what'll get us through.

To help prevent the spread of COVID-19, the Wyoming Department of Health reminds you:

Wear face coverings when in indoor public spaces and any time you're within 6 feet of others

Practice physical distancing (6 feet or more) between yourself and others

Do all you can to stay home and away from others if you're feeling ill, unless you're seeking medical attention
