**Effective Date:** 06/04/2020

**Rule Type:** Emergency Rules & Regulations

**Reference Number:** 048.0003.12.06042020

## Chapter 12

### Program Administration of Assisted Living Facilities

**Emergency rules are no longer in effect 120 days after filing with the Registrar of Rules.**

**Section 1. Authority.** These rules are promulgated by the Department of Health pursuant to W.S. 9-2-1204 *et seq.* and the Wyoming Administrative Procedures Act at W.S. 16-3-101 *et seq.*

**Section 2. Purpose and Applicability.**

(a) These rules have been adopted for the day-to-day operation of assisted living facilities.

(b) The Department may issue provider manuals, provider bulletins, or both, to interpret the provisions of these rules and regulations. Such provider manuals and provider bulletins shall be consistent with and reflect the policies contained in these rules and regulations. The provisions contained in provider manuals or provider bulletins shall be subordinate to the provisions of these rules and regulations.

(c) The incorporation by reference of any external standard is intended to be the incorporation of that standard as it is in effect on the effective date of these rules and regulations.

**Section 3. Severability.** If any portion of these rules is found to be invalid or unenforceable, the remainder shall continue in effect.

**Section 4. Definitions.** The following definitions shall apply in the interpretation and enforcement of these rules. Where the context in which words are used in these rules indicates that such is the intent, words in the singular number shall include the plural and vice versa. Throughout these rules, gender pronouns are used interchangeably, except where the context dictates otherwise. The drafters have attempted to utilize each gender pronoun in equal numbers, in random distribution. Words in each gender shall include individuals of the other gender.

(a) For the purpose of these rules, the following shall apply:

(i) “Abuse.” The willfull infliction of injury, unreasonable confinement, intimidation, or punishment with resulting physical harm, pain, or mental anguish. Abuse may include, but is not limited to the following: physical, verbal, mental, neglect, misappropriation of resident property, corporal punishment, sexual exploitation, sexual abuse, or any other adverse action.

(ii) “Activities of Daily Living (ADLs).” An individual's performance of

feeding, bathing, dressing, use of toilet, transfer, mobility and continence.

(iii) “Adult.” A person who is 18 years of age or older.

(iv) “ALF 102 Form”. The required screening tool as defined by the Program Division and performed by a registered nurse. Training regarding the utilization of this form will be the responsibility of the Program Division.

(v) “Assistance Plan.” A written description of the type, frequency and duration of the assistance to be provided, and the expected outcome.

(vi) “Assisted Living Facility (ALF).” A non-institutional dwelling operated by a person, firm, or corporation engaged in providing limited nursing care, personal care and boarding home care, but not habilitative care, for persons not related to the owner of the facility.

(vii) “Bed.” A piece of furniture on or in which a resident, or two residents lie and sleep. Single-bed means one piece of furniture in which to lie and sleep. Multiple-beds means two (2) or more pieces of furniture in a sleeping room in which to lie and sleep.

(viii) “Boarding Home.” A non-institutional dwelling or rooming house operated by any person, firm, or corporation engaged in the business of operating a home for the purpose of letting rooms for rent and providing meals and personal daily living care, but not habilitative, or nursing care, for persons not related to the owner. Boarding home does not include a lodging facility or an apartment in which only room and board is provided.

(ix) “Certified Dietary Manager.” A Certified Dietary Manager is a person with education, training, and experience to competently perform the responsibilities of a dietary manager with consultation from or supervision of a Registered Dietitian. The Certified Dietary Manager has passed a nationally-recognized credentialing exam and participates in continuing education as needed to maintain certified status.

(x) “Certified Nurse Assistant (CNA).” An individual who is duly certified by the Wyoming State Board of Nursing and whose certification has been verified by the management of the assisted living facility.

(xliv) “Resident.” A person eighteen (18) years of age or older, unrelated to the owner, who resides in an assisted living facility.

#### **Section 5. Philosophy.**

(a) It is the philosophy of the Program Division to develop reasonable and enforceable rules for the placement of individuals with disabilities in community settings such as assisted living facilities in lieu of unnecessary institutionalization. This philosophy is mandated in the Supreme Court ruling on *Olmstead v. L.C.*

(b) These rules are designed not only to support the philosophy of community placement but to also protect the health, welfare, and safety of residents in assisted living facilities.

#### **Section 6. Personnel and Staffing Requirements.**

(a) Management. If the assisted living facility has a governing body, it must designate a manager. If there is no governing body, the owner shall appoint a manager.

(i) The Manager shall:

(A) Be at least twenty-one (21) years of age;

(B) Assume the overall responsibility for the day-to-day operation of the facility;

(C) Direct the work of others, including the training and development of staff;

(D) Be able to read, write, and speak English;

(E) Maintain financial and other records;

(F) Have a telephone with a listed number in the phone directory under

the name of the assisted living facility;

(G) Be familiar with and follow the State's promulgated Assisted Living Facility Licensure and Program Administration Rules;

(H) Pass an open book test on the same. The open book test shall be administered by the Program Division. The passing score will be 85% or greater. Those individuals who successfully completed the examination administered by the Licensing Division shall have their test scores honored;

(I) The manager shall provide an acceptable plan of correction to the Licensing Division within ten (10) days of the date when a statement of deficiencies is received by the assisted living facility;

(J) The manager shall not act as, or become the legal guardian or conservator of, or have power of attorney for any resident of the facility; and

(K) The manager shall meet one or more of the following requirements:

(I) The manager shall have completed at least forty-eight (48) semester hours or seventy-two (72) quarter hours of post secondary education in healthcare, elderly care, health case management, facility management, or other related field from an accredited college or institution; or

(II) Have completed at least two (2) years experience working with elderly or disabled individuals. This experience may have been paid, full-time employment, or time equivalent in part-time employment or volunteer work that is directly involved with the elderly or disabled.

(b) Staffing.

(i) The staffing level shall be sufficient to meet the needs of all residents of the facility, and insure the appropriate level of care is provided.

(ii) There shall be personnel on duty to maintain order, safety, and cleanliness of the premises, to prepare and serve meals, to keep an adequate supply of clean linens, to assist the residents in personal needs and recreational activities, and to meet the other operational needs of the facility.

(iii) The assisted living facility shall not employ an individual as a nurse assistant who is not currently certified by the Wyoming State Board of Nursing. Certification must be verified by the manager of the assisted living facility.

(iv) There shall be at least one (1) RN, LPN or CNA on duty every shift. There shall be at least one (1) person on duty and awake at all times.

(v) If the assisted living facility does not employ an RN, the facility shall contract with an RN to provide the initial assessment, periodic reviews, assistance plans, as well as the periodic updates of resident assessment, reviews, assistance plans, and medication management.

(c) Background checks. All staff of the assisted living facility shall successfully complete, at a minimum, a State of Wyoming Division of Criminal Investigation (DCI) fingerprint background check and a Department of Family Services Central Registry Screening before direct resident contact.

(d) Infection Control. Written policies shall be in effect to ensure that newly hired and current employees do not spread a communicable disease that could be transmitted through usual job duties. These shall include but not be limited to:

- (i) Ensure a safe and sanitary environment for residents and personnel.
- (ii) Tuberculin Testing.

(A) Tuberculin testing must be accomplished for each employee prior to employment and annually thereafter.

(B) Employees having known positive skin tests shall provide a certificate of noninfectiousness, recommendations, if any, for treatment, and evidence they have complied with such recommendations.

(C) Individuals providing documentation of negative skin test administered within the last twelve (12) months do not require a follow-up.

(D) Individuals who have not had a skin test or who do not have written proof of skin test results, shall have an intradermal Mantoux using 5TU PPD. This shall be accomplished via the two (2) step procedure. If the first test is negative and the employee is asymptomatic, the employee may engage in resident contact prior to the results of the second skin test.

(I) A negative reaction requires no follow-up.

(II) A positive reaction (10mm induration using 5TU PPD) requires a referral to a physician for x-ray and certification of noninfectiousness and appropriate treatment if needed. Follow up shall comply with the recommendations of the attending physician.

(E) If symptoms occur, a new certificate of noninfectiousness is required.

(F) No person with an airborne, contagious or infectious disease shall be employed until a work release is obtained.

(I) The facility shall prohibit employees with a communicable disease or infected skin lesions from direct contact with residents and their food, if direct contact will transmit a disease.

(II) The facility shall require staff to follow universal precautions when performing direct resident care.

(e) Personnel Policies and Records.

(i) Management shall provide new employee orientation and education regarding resident rights, evacuation, and emergency procedures, as well as training and supervision designed to improve resident care.

(ii) A record for the manager and each employee shall be maintained and contain at a minimum, the following information:

(A) Name, current address and telephone number;

(B) Social Security Number;

(C) Education;

(D) Work experience, documentation of reference checks;

(E) Date of employment;

(F) Position in the assisted living facility (job description);

(G) Documentation of tuberculin testing;

(H) Orientation checklist;

(I) I-9, (Employment Eligibility Verification);

(J) W-4, (Employee's Withholding Allowance Certificate);

(K) Licensure, Certification, or Credentials; (e.g., RN, LPN, CNA, etc);

and

(L) Documentation of all completed background and Central Registry background check with no offenses.

**Section 7. Assisted Living Facility (ALF) Core Services.**

- (a) The assisted living facility core services include the following:
- (i) Meals, housekeeping, personal and other laundry services;
    - (A) Provision of mechanically altered diets and dietary supplements, if required.
  - (ii) A safe and clean environment;
  - (iii) Assistance with local transportation;
  - (iv) Assistance with obtaining medical, dental, and optometric care, in addition to social services;
  - (v) Assistance in adjusting to group living activities;

    - (E) Infrequent assistance with mobility. The resident may use an assistive device; e.g., wheel chair, walker, cane;
    - (F) Cuing guidance with ADLs for the visually impaired resident, or

the intermittently confused and/or agitated resident requiring occasional reminders to time, place and person;

(G) Care of the resident who can independently manage his own catheter or ostomy, e.g, resident who can change his own catheter bags, able to clean and care for his ostomy;

(H) Care of the resident incontinent of bowel or bladder if the condition can be managed independently;

(ix) Assessments completed by a Registered Nurse;

(A) Registered Nurse medication review every two (2) months or sixty-two (62) days or whenever new medication is prescribed or the resident's medication is changed;

(x) Twenty-four (24) hour monitoring of each resident.

(b) Resident Assessment and Services. The staff/contract Registered Nurse (RN) shall conduct initial and, at a minimum annually, an accurate, standardized, reproducible assessment of each resident's functional capacity, physical assessment and medication review.

(i) The completion of the ALF 102.

(A) The current version of the ALF 102 is the designated screening tool. The form may be updated and /or revised periodically by the Program Division. Providers will be notified of changes in the form. The following guidelines apply to the ALF 102:

(I) The ALF 102 is only valid if completed within forty-five (45) days prior to admission and there is no change in the resident's condition.

(II) The ALF 102 must be completed and signed by an RN.

(III) The ALF 102 may be completed telephonically; however, it must be verified in person by an RN.

(IV) A new ALF 102 shall be completed at least annually, and when there is a change in the resident's condition.

(ii) Admission orders. A resident shall be admitted only if accompanied by a history and physical completed by a physician or physician extender within ninety (90) days prior to admission. The facility shall confirm the resident's medication regimen and special treatment orders at the time of admission.

(A) Admission orders shall include an order for TB screening, influenza and pneumococcal immunization status and orders for immunization if required, unless contraindicated. The facility must develop and implement policies and procedures to ensure the following:

(I) Residents, or their legal representative are educated regarding the risks and benefits of these immunizations.

(II) The immunizations are offered unless medically contraindicated or the resident is currently immunized.

(III) If the resident is not vaccinated, the medical record must reflect the reason, such as medical contraindication or refusal.

(iii) The Registered Nurse shall make an initial assessment of the resident's needs, which describes the resident's capability to perform ADLs and notes all significant impairments in functional capability.

(A) Initial assessment. A current assessment shall be maintained in each resident's file.

(B) The assessment shall include at least the following information:

(I) Medically defined conditions and prior medical history;

(II) Physical status;

(III) Sensory and physical impairments;

(IV) Nutritional status and requirements;

(V) Special treatments and/or procedures;

(VI) Mental and psychosocial status;

(VII) Discharge potential;

(VIII) Dental condition;

(IX) Activities potential;

(X) Rehabilitation potential; and

(XI) Medication regimen.

(1.) Documentation of resident's ability to self-medicate.

(iv) Frequency of assessment. An assessment must be conducted:

(A) No earlier than one (1) week prior to admission;

(B) Immediately upon any significant change in the resident's mental or physical condition; or

(C) No less than once every twelve (12) months.

(v) Use of the assessment.

(A) The results of the assessment are used to develop, review, and revise the resident's individualized assistance plan.

(vi) Resident assistance plan.

(A) An RN shall develop an assistance plan for each resident.

(B) Each facility shall construct its own forms for such plans, which at a minimum shall contain documentation of the following:

(I) Who will provide the care/services;

(II) What care/services will be provided;

(III) When will care/services be provided;

(IV) How the care/services will be provided;

(V) The expected outcome;

(VI) Resident participation in development of the assistance plan to the extent of his ability to do so. A relative or other interested party may also participate; and

(VII) Dated signature of the RN, the facility manager, and the resident or the resident's responsible party.

(vii) The assistance plan shall be reviewed and updated by the RN at least annually or when a significant change occurs, with input from direct care-givers, the resident, and others as designated by the resident.

(viii) The RN shall periodically evaluate results of the plan. The plan shall reflect assessed needs and resident decisions (including resident's level of involvement); support principles of dignity, privacy, choice, individuality, independence, and home-like environment; and shall include significant others who may participate in the delivery of services.

(c) Resident Rights.

(i) The facility shall adopt and follow a written policy of resident rights. The policy shall be posted in a conspicuous place, and there shall be documentation in the resident's record that the resident read, or management explained, the policy. This policy shall not exclude, take precedence over, or in any way abrogate the legal and constitutional rights enjoyed by all adult citizens and shall include, but is not limited to the following:

- (A) Be treated with respect and dignity;
- (B) Privacy;
- (C) Free from physical or chemical restraints not required to treat the resident's medical symptoms. No chemical or physical restraints will be used except by order of a physician;

(P) Reimbursed at an appropriate rate for work performed on the premises for the benefit of the operator, staff, or other residents, in accordance with the resident's assistance plan;

(Q) Informed by the facility thirty (30) days in advance of changes in services or charges;

(R) Have advocates visit, including members of community organizations whose purposes include rendering assistance to the residents;

(S) Wear clothing of choice unless otherwise indicated in the resident's plan, and in accordance with reasonable dress code;

(T) Participate in social activities, in accordance with the assistance plan; and

(U) Examine survey results.

(d) Medications.

(i) An individual record shall be kept for each resident, recording any prescription drugs administered by the facility. This record shall include:

(A) Name of resident;

(B) Name and telephone number of primary physician;

(C) Name and telephone number of the primary pharmacy;

- dosage;
- (D) Name and description of the medication, including prescribed
  - (E) Dosage administered;
  - (F) Quantity;
  - (G) Times and dates administered;
  - (H) Method of administration;
  - (I) Any adverse reactions to the medication;
  - (J) Signature of licensed staff administering medication; and
  - (K) RN review date and signature.

(ii) Prescription drugs shall be dispensed from a licensed pharmacy, labeled with the name, address and telephone number of the pharmacy, name of resident, name and strength of drug, directions for use, date filled, expiration date, prescription number and name of physician. Controlled substances shall have a warning label on the bottle.

(A) An RN shall destroy all discontinued prescriptions, other than controlled substances, using accepted standards of practice.

(B) Discontinued or outdated controlled substances shall be destroyed by the RN in the presence of a licensed pharmacist and documented in the resident's record.

(iii) Self medication.

(A) Residents able to self-medicate may keep prescription medications in their room if deemed safe and appropriate by the RN.

(B) Residents may keep and use over-the-counter medications in their room without a written order by a physician unless deemed inappropriate by the RN.

(C) If more than one resident resides in the room, an assessment will be made of each person and his ability to safely have medications in the room. If safety is a factor, the medication shall be kept in a locked container.

(D) The facility will work with the resident to develop a means to mutually resolve any problems relating to self-medication.

(iv) Medication assistance.

(A) The staff shall be responsible for providing necessary assistance to residents deemed capable of self-medicating, but are unable to do so because of a functional disability, in taking oral medications. Non-licensed staff can only assist with oral medications. Medication assistance may include:

- (I) Reminding resident to take medications;
- (II) Removing medication containers from storage;
- (III) Assisting with removal of cap;
- (IV) Assisting with the removal of a medication from a container for residents with a disability which prevents independence in this act;
- (V) Observing the resident take the medication; and
- (VI) Documentation of observation.

(v) Medication Administration

(G) The resident's assessment and individualized assistance plan;

(H) Copies of all applicable resident assistance contracts, signed by both parties;

(I) Written acknowledgment of the receipt and explanation of all facility policies including admission/discharge policies;

(J) Copy of all ALF 102's; and

(K) Copy of outside contractual responsibilities, if applicable.

(iii) The resident shall be assured of confidential treatment of all information in the record, and the resident's written consent (or the consent of the guardian) shall be required for the release of information to persons not otherwise authorized to receive it.

(iv) All residents' records shall be retained in a physically secure area for a minimum of six (6) years after the resident has left the facility and may be disposed of, by shredding or burning, after that time.

(v) In the event of dissolution of the facility, the manager shall notify the Licensing Division as to the location of all residents' records.

(vi) All records shall be protected from damage by fire, water and other hazards.

(vii) All entries in each resident's record shall be made in ink, signed and dated.

(f) Resident Activities. An activities program shall be available to the resident and shall be designed to enhance each resident's sense of physical, psychosocial, and spiritual well-being.

(i) A member of the facility's staff shall be designated as responsible for the resident activities program;

(ii) Space, equipment, and supplies for the activities program shall be

adequate for individual and/or group activities; and

(iii) There shall be regularly scheduled activities during weekdays, evenings and weekends.

(g) Grievance Procedure.

(i) The written grievance procedure shall establish a system of receiving, reviewing, and alleviating concerns, complaints and allegations of resident rights violations, and poor service provided to include, but not limited to:

(A) Resident's method to express and document grievances;

(B) Documentation of the provider's response to verbal and written resident grievances;

(C) List of agencies, with address and telephone numbers for residents to contact if grievances are not addressed satisfactorily (e.g. State Long Term Care Ombudsman and the Department of Health, Office of Licensing and Surveys); and

(D) The facility shall provide written reports of the grievances and resolutions to the Ombudsman and the Licensing Division within ten (10) days after the grievance is filed.

(ii) The written grievance procedure shall be posted in a conspicuous place within the facility.

(h) Complaint Investigations.

(i) Resident complaints shall be referred to the Long Term Care Ombudsman or the Licensing Division.

(i) Adult Protection.

(i) The facility must assure that all residents are protected from abuse. This includes the resident's right to be free from verbal, physical, mental, or sexual abuse in accordance with the definition of abuse as stated in Section 4(a) of these rules.

(ii) The facility must adhere to written policies and procedures that prohibit the abuse of any resident. These policies and procedures must identify how the facility will screen employees before hiring, ongoing in-servicing of abuse topics with employees, and a protocol that specifies how allegations of abuse will be investigated. Each staff member must be accountable to report any suspicion or knowledge of abuse to the appropriate facility personnel

immediately.

(iii) The facility is responsible to ensure all allegations of abuse are investigated expediently and that the resident(s) are protected from further, potential abuse while the investigation is in progress.

(A) Instances of abuse, neglect, or exploitation of disabled adults shall be reported to the sheriff's department, the local police department, or to the department of family services in accordance with W.S. 35-20-103.

(B) The facility must ensure that, if necessary, additional authorities are contacted if there is an allegation of abuse, neglect or exploitation. These additional authorities may include the Wyoming State Board of Nursing, Office of Healthcare Licensing and Survey, and the State Long Term Care Ombudsman.

(j) Food Service and Nutrition.

(i) Assisted Living Facilities that choose to admit residents who need therapeutic or mechanically modified diets must employ or contract with a Registered Dietitian who shall approve written menus and dietary modifications, approve special diet needs, plan individual diets, and provide guidance to dietary staff in areas of preparation, service, and monitoring. The frequency of visits is determined by the residents' needs and the competency of the dietary staff but must include at least a monthly onsite review of dietary services.

(ii) There must be an organized dietetic service that meets the daily nutritional needs of residents and ensures that food is stored, prepared, distributed, and served in a manner that is safe, wholesome and sanitary in accordance with the rules. The dietetic service must ensure that food prepared is nutritionally adequate in accordance with the Dietary Reference Intakes (DRI) for adults.

(iii) Food service supervision:

(A) Day to day responsibilities for food production and management of the dietary services shall be assigned to a person with nutrition and food service management experience equivalent to that of a Certified Dietary Manager.

(iv) A minimum of three meals in a twenty-four (24) hour period shall be provided to each resident during normal dining hours. In addition, meals and between meal snacks shall be palatable, attractive in appearance, consist of a variety of foods, and shall be served at the proper temperature.

(A) Menus shall be planned based on recognized national dietary standards recommended by a Registered Dietitian. Menus shall be prepared at least two weeks in advance and posted in the kitchen. Reasonable substitutions of similar nutritive value must be

available to residents who refuse or/are unable to eat the food served. The daily menus shall be corrected to show the food actually served, and the corrected copy kept on file and available for inspection for one (1) year. A current diet manual shall be approved by the Registered Dietitian, and sufficient copies of the approved manual must be available to dietary and nursing staff in the assisted living facility.

(v) Individuals with food preparation responsibilities shall be in good health and shall practice safe food handling techniques in accordance with the current edition of Food Code published by the U.S. Public Health Service, Food and Drug Administration.

(vi) The kitchen and dining area shall be kept clean and sanitary in accordance with standards established in the current edition of FDA Food Code. The dining area shall provide suitable furniture and adequate space to comfortably seat all residents.

(vii) There shall be enough food on hand to meet at least one (1) week's menu.

(viii) Cleaning and sanitizing of dishes and silverware shall be done by automatic dishwashers.

(ix) Persons handling soiled tableware and/or silverware shall wash their hands before handling clean ware.

(x) No fly strips shall be allowed in the kitchen or dining area.

(k) Transfer and Discharge.

(i) Residents shall receive a thirty (30) day written notice prior to any facility initiated transfer or discharge, unless the resident imposes an imminent danger to self and/or others or the resident's level of care exceeds that which can be provided by an assisted living facility. Residents shall have the right to object to the request, except where undue delay might jeopardize the health, safety or well-being of the resident or others. The notice shall include contact information for the Long Term Care Ombudsman.

(ii) Residents may be asked to leave only for the following reasons:

(A) The facility has had its license revoked, not renewed, or voluntarily surrendered;

(B) The facility cannot meet the resident's needs;

(C) The resident or responsible person has a documented established pattern, in the facility, of not abiding by agreements necessary for assisted living;

(D) Non-payment of charges; or

(E) The resident engages in behavior which imposes an imminent danger to self and/or to others.

(iii) Residents who object to the request to leave the facility shall be given the opportunity of an informal conference. This informal conference must be requested within ten (10) days of the resident's notice to leave the facility. The purpose of the conference is to determine if a satisfactory resolution can be reached. Participants in the conference may include a facility representative, the resident, and at the resident's request, a family member, and/or legal representative of the resident, and the Long Term Care Ombudsman. The informal conference is not to be considered an administrative hearing.

(iv) Residents transferred to another health care facility shall be given written transfer/discharge notice which includes:

(A) The name of the resident;

(B) The reason for the transfer/discharge;

(C) The effective date of the transfer/discharge;

(D) The location to which the resident is transferred/discharged;

(E) The name, address, and telephone number of the Ombudsman; and

(F) A listing of all outside contracted services.

(v) The facility shall provide sufficient preparation and orientation to residents to ensure an orderly transfer/discharge from the facility.

(vi) A copy of the written resident assistance plan shall be provided to the resident prior to transfer/discharge.

(l) Quality Improvement.

(i) The facility shall have an active quality improvement program to ensure effective utilization and delivery of resident care services.

(A) A member of the facility's staff shall be designated to coordinate the quality improvement program.

(B) The quality improvement program shall encompass a review of all services and programs provided for all residents. The program shall have:

- (I) A written description;
- (II) Problem areas identified;
- (III) Monitor identification;
- (IV) Frequency of monitoring;
- (V) A provision requiring the facility to complete annually a self assessment survey of compliance with the regulations; and
- (VI) A satisfaction survey shall be provided to the resident, resident's family, or resident's responsible party at least annually.

(C) Problems identified during the annual survey or the quality improvement process shall be addressed with appropriate written corrective actions.

(D) The quality improvement program shall be re-evaluated at least annually.

(m) Facility Policies and Procedures.

(i) Management shall develop policies and procedures that are available to residents and staff, including but not limited to:

- (A) Resident rights;

Hot water for bathing, and resident handwashing, and laundry should be no hotter than one hundred and twenty (120<sup>0</sup>) degrees Fahrenheit.

(K) All plumbing shall be maintained in good repair and according to the requirements of the Uniform Plumbing Code;

(I) Private water systems shall be safe, potable, and have an adequate supply. Testing shall be done monthly and records of tests shall be retained at the facility.

(II) Private water systems shall be tested and found safe and potable before Licensure is granted.

(L) Fireplaces shall be securely screened and glassed in;

(M) The facility shall be maintained so that it is free of hazards, such as loose or broken window glass, loose or cracked floors or floor coverings, or cracked or loose plaster on wall or ceilings;

(N) At least one primary grade level entrance to the building shall be freely accessible for wheelchairs;

(O) Each resident shall have his individual comb, toothbrush, towels, and wash cloths;

(P) Clean drinking glasses shall be available for the residents. Common drinking cups are prohibited;

(Q) Bathrooms shall have soap and toilet paper. The facility shall provide paper towels or a blow dryer for hands, or rack space adequate for each resident using the bathroom to hang his/her personal towel. Use of a common towel is prohibited;

(R) Provisions shall be made for privacy in all bath and toilet rooms;

(S) Automatic deodorizers or aerosol fresheners shall not be used except in bathrooms; and

(T) Residents shall not use a common bar of soap. The facility shall provide either soap dispensers or individual bars of soap for each resident.

(U) Housekeeping.

(I) Housekeeping practices and procedures shall be employed to keep the home free from offensive odors, accumulations of dirt, and dust.

(II) Floors shall be maintained and clean.

(III) Polish of floors shall provide a non-slip finish.

(IV) Throw or scatter rugs shall not be used. Non-slip mats may be used.

(V) Covered containers with tight lids shall be used for garbage storage.

(W) The facility shall be maintained free of insects and rodents. All windows shall be screened. All exit doors opening inward shall have a screen door.

(X) Linens and laundry.

(I) Laundry service for linen and residents' personal clothing shall be provided. The manager shall take measures to ensure that residents' clothing is not lost or misplaced while laundering.

(II) All linen shall be bagged or placed in a hamper before

being transported to the laundry area.

(III) Bed linen shall be changed as necessary but at least weekly. Additional blankets or pillows shall be provided. Rubber or water protective sheets shall be used if indicated.

(IV) Two (2) complete changes of clean bed linen shall be on hand for each licensed bed.

(1.) Torn, worn, or unclean bed linen shall not be used.

(V) All bleaches, detergents, disinfectants, and other cleaning agents shall be separated from medicines and foods.

(VI) Soiled linen shall not be transported through, sorted, processed, or stored, in kitchens, food preparation areas, or food storage areas.

(Y) The heating system shall be inspected yearly, before the heating season, and maintained according to manufacturer's instructions.

(Z) Portable space heaters shall not be used, (e.g. electric or kerosene).

(AA) Equipment Maintenance and Testing.

(I) The devices, equipment, systems, conditions, arrangements, levels of protection, or any other features that are required for compliance with the provisions of the Life Safety Code shall be permanently maintained for the building housing the facility.

(o) Evacuation Capability, Emergency Procedures, and Fire Safety.

(i) Evacuation Capability.

(A) The evacuation capability rating for the group of residents, as defined by the Life Safety Code, in accordance with licensure rules, shall meet prompt or slow for facilities with nine (9) or more residents, and the rating shall meet prompt for facilities of eight (8) or fewer residents. The facility shall be responsible for maintaining evacuation capability ratings by timed fire exit drills.

(I) Exception shall be a facility where the construction meets the impractical evacuation capability rating.

(B) Evacuation Capability Ratings:

- (I) Prompt - maximum of three (3) minutes
- (II) Slow - between three (3) and thirteen (13) minutes
- (III) Impractical - more than thirteen (13) minutes

(ii) Emergency Procedures.

(A) Disaster and Emergency Preparedness.

(I) The facility shall have detailed written plans and procedures to meet all potential emergencies and disasters, such as fire, severe weather, and missing residents. A copy of the plans shall be available at all times within the facility.

(1.) Emergency plans in the event of a fire shall be in accordance to the Life Safety Code Operating Features sections.

(II) The facility shall train all employees in the emergency procedures. New staff shall be trained within the first week of employment. The facility shall review the procedures with all staff at least every twelve (12) months. A training record shall be kept in each personnel file.

(iii) Fire Safety.

(A) Portable fire extinguishers shall be installed, inspected, and maintained according with NFPA 10, Standard for Portable Fire Extinguishers.

(I) State of Wyoming certified individuals shall inspect and service the extinguishers. All extinguishers shall have a tag or label securely attached that indicate the month and year the maintenance was performed and that identifies the person performing the service.

(B) Readily available and clearly readable telephone numbers for emergency contacts shall be located near all telephones.

(C) Clearly readable floor diagrams reflecting the actual floor arrangement showing the exit locations and evacuation routes shall be posted in conspicuous places. Each resident shall be instructed with its use on the first day of admission.

(D) Resident training for the fire emergency plan shall be in accordance with the Life Safety Code Operating Features sections.

(I) On the first day of admission, each resident shall be instructed in the proper action of the fire emergency plan, including the location of all the exits.

A record of this instruction shall be in each resident file

(E) Fire exit drills shall be conducted in accordance to the Life Safety Code Operating Features sections. The minimum number of drills, as amended, shall be held at least twelve (12) times per year on a monthly basis with a minimum of one drill conducted each quarter on each shift. Fire exit drill records over a two-year period shall be available upon request at the facility.

(I) The facility shall be responsible for recording fire exit drills on an evaluation form that include at least the following:

- (1.) Date of drill;
- (2.) Time of day;
- (3.) Type of drill (Practice, Announced, Surprise);
