**Note 1:** National data reports teens as 15-19; a small number of births to teens younger than 15 did occur but these are not reported.

**Note 2:** Rates are per 1,000 women in the 15 to 59 age range.

**Note 3:** In a few rare cases, mother's age was not recorded; therefore, mother's age totals may not match total births reported in other tables.
