90 Day Supply Program Details

1. The patient must have a current application on file with WMDP. Applicants are eligible for one (1) year and must renew annually. Renewal notices are sent to active patients one month prior to expiration.
2. The patient must have a complete application on file with WMDP. This includes proof of income, proof of residency, and a valid social security number (which is used to verify prescription insurance status).
3. The original Rx must be written for a 6 month supply or longer which indicates to our staff that the patient is stable on the medication.
4. This formulary is subject to periodic changes and all subsequent changes will be posted on our website.
