

# Care and Prevention Planning Alliance

Interested in the care and prevention needs of persons living with, or at increased risk for HIV, hepatitis, and STIs in Wyoming:

Join us....

- Bring together a diverse group of individuals concerned about HIV, hepatitis and sexually transmitted infections (STIs) in WY
- Develop an integrated and comprehensive care and prevention plan
- Evaluate strengths, weaknesses, barriers and gaps in care and prevention services
- Advocate for consistent access to care across Wyoming
- **Support equality for all!**

Advocating for consistent access to care across Wyoming

WYOMING  
**CAPPA**  
CARE AND PREVENTION  
PLANNING ALLIANCE

# Purpose & Mission

CAPPA exists as a core component of HIV prevention, care and treatment for individuals enrolled in select assistant programs as well as individuals at risk for STIs.

The mission of CAPPA is to develop, evaluate, and modify a comprehensive plan that effectively addresses the care and prevention needs of high-risk populations as well as individuals living with or affected by HIV, hepatitis and sexual transmitted infections in WY.

## Representative Positions

- Behavioral Science / Mental Health
- Clergy / Faith-based Organizations
- Community-Based Nursing / Public Health Nursing
- Law Enforcement / Corrections / Criminal Justice
- Sexually Transmitted Infections (STI)
- Substance Abuse / Chemical Dependency
- Title X Family Planning Clinics
- WY Department of Education
- 5-10 members shall be individuals living with HIV or experience 'high-risk behaviors (sexual or drug use)'
- Representatives for each region:
  - Northeast
  - Southeast
  - Northwest
  - West
  - Central

## How to get involved

### Log on to:

<http://health.wyo.gov/publichealth/communicable-disease-unit/cappa/>

### Click on:

- ✓ Members
- ✓ CAPPA Membership Application
- ✓ Fill out the application and please mail this completed form to:

Care and Prevention Planning Alliance Communicable Disease Unit Wyoming Health Dept.

6101 Yellowstone Rd. Suite 510

Cheyenne, WY 82002

If you have any questions or need assistance, please call (307) 777-7529.

Applications for membership are accepted throughout the year and reviewed quarterly. CAPPA meets 3-4 times a year, in various locations around Wyoming and through video conferencing. Expenses (food, lodging, mileage) associated with attendance at meetings are reimbursed to CAPPA members and applicants. All meetings are open to the public.
