

Yellow Fever Vaccine Program

Uniform Stamp Application Checklist

Applicants are encouraged to use this checklist in order to assist with the enrollment process to ensure all required forms and training are completed. Do not submit this checklist.

Items Required to Complete the Yellow Fever Enrollment Process

- Completed Application for Designation/Recertification.
- ACIP Recommendations and Vaccine Storage Acknowledgement for each designated vaccination center.
- Transcripts from the CDC Yellow Fever Course, Lesson One and Two. A transcript must be provided for the Uniform Stamp Holder, Yellow Fever Vaccine Coordinator, and any other staff that has responsibilities related to the yellow fever vaccine.
- If applicable, the Designation of Additional Vaccination Center form(s).
