

## WIC ELIGIBLE FORMULA AND NUTRITIONALS FOOD LISTING

❖ **Non-Contract Formulas/Nutritionals** will only be provided with the diagnoses of a medical condition from a health care provider that warrants the requested formula/nutritional.

❖ **A Medical Documentation form** must be completed for prescribing formula/nutritionals with a qualifying medical condition(s). WIC Eligible Formulas or Nutritionals **cannot** not be issued by WIC solely for the purpose of enhancing nutrient intake or managing body weight. Maximum approval length is twelve months.

❖ **Ready-to-feed (RTF)** products may only be issued in cases where there is an unsanitary/restricted water supply, poor refrigeration, when the patient’s caregiver has difficulty diluting concentrated or powdered formula, or when ready-to-feed is the only available product form.
