 Toll-Free 1-800-535-4006  
 Fax: (307) 777-5580

This form may be utilized by providers requesting to add service levels between renewals to current state certification. Please complete this form in its entirety, and email it as an attachment to: [wdh-certification@wyo.gov](mailto:wdh-certification@wyo.gov). Include a written request of the service levels proposed (email is acceptable), and a copy of the updated policy and procedures document to reflect the proposed service levels. Please retain a copy of this form for reference and possible future use. This document is not required of providers who provide the information within the online application. Use as many copies of this form as necessary for all provider locations.
