**Driving Under the Influence/Minor in Possession (DUI/MIP) Early Intervention Education Guidance for State Certification**

Providers complete initial Level 0.5 Early Intervention DUI/MIP curricula training and refresher training directly through their chosen state-approved company. Upon completing the chosen curriculum, the provider shall acquire a certificate of completion through the selected company. A copy of the certificate of completion is required to be submitted for each staff member providing Level 0.5 Early Intervention DUI/MIP services. This is a requirement at the time of online application.

Please retain electronic copies of staff training certificates earned to upload in future online renewal applications. Language stating the name of the DUI/MIP education **curriculum utilized must be included the provider's policy and procedure manual.**

Programs must meet all applicable Wyoming Standards, per Chapter 2, Section 14, to provide Level 0.5 Early Intervention DUI/MIP Education. Please review Section 14 carefully to ensure full compliance with the [Wyoming Mental Health and Substance Use Disorder Services Rules](#).
