Quick Fact: There is a distinct lack of diversity in medical illustrations. Nigerian medical student, Chidiebere Ibe (right), brought this fact to the attention of the world when he created pregnancy illustrations featuring a mother and fetus with darker skin tones. 340B Reporting and Recertifications

Each 340B site under CDU's 340B designation must recertify each year, typical in April or May.

- The 340B Primary contact will access their federal Health Resources and Services Administration (HRSA) Office of Pharmacy Affairs 340B OPAIS account and update it annually.
- OPAIS login

<https://340bregistration.hrsa.gov/login?AspxAutoDetectCookieSupport=1>

The sub-recipient must meet the following criteria to be recertified each year for 340B STD and TB OPAIS accounts:

- OPAIS account information must be complete, accurate, and correct.
- The sub-recipient meets all 340B Program eligibility requirements.
- The sub-recipient will comply with all requirements and any accompanying regulations including, but not limited to, the prohibition against duplicate discounts and diversion
- The sub-recipients maintains auditable records (reporting) pertaining to compliance with the requirements.
- The sub-recipient acknowledges its responsibility to contact CDU as soon as possible if there is any change in 340B eligibility and/or breach by the sub-recipient.
