

Sheryl Roub wants to clarify the correct process for requesting PPE. The correct process is:

1. Contact your emergency manager - their contact information can be found here [County Homeland Security Offices](#)
2. If the EM cannot fill, ask them to submit a 213RR on your behalf
3. We will fill and ship to the county PPE location for your pickup, if we have the PPE in our warehouse.

In many instances your request can be filled locally. Please don't hesitate to reach out to her directly if you have any questions. [sheryl.roub@wyo.gov](mailto:sheryl.roub@wyo.gov) or 307 777 7146.
