Motivational Interviewing Training

Rocky Mountain Public Health Training Center

Basic Motivational Interviewing Online Course

March 28th - April 18th

Live Learning Sessions: 12-1 pm MST on Mondays

Motivational interviewing (MI) is a patient-centered communication technique that helps people resolve ambivalent feelings and insecurities to find the internal motivation they need to change their behavior. In this interactive online course, you will learn basic MI techniques you can use with patients to help support behavior change: open-ended questions, affirmations, reflective listening, and summarizing.

No previous MI experience required.
