- **Legislative Update (Lindsay)**
 - **\$200k put aside for MHFA T4Ts**
 - **Dust settling over next few months/weeks until decisions can be made**
 - **\$2.1 Million in ARPA funding for lifeline call centers!! Will help to achieve 100% 24/7 coverage. Will be combined with the other \$400k currently appropriated. Waiting for final signature from Gov.**
 - **Discussion around mental health in multiple committees, should have more updates in April on other items that may eour work**
- **Governor's Challenge (Lindsay)**
 - **Additional conversations with Dept of Ed on Purple Star Project (k-12 system living in military families), possible opportunities to bring to WY**
 - **Discussing messaging around Ad Council work on suicide prevention for veterans and adding onto Kayla's work on messaging and looping into WDH's messaging. Opportunity to leverage a coordinated effort.**
 - **Last and final site visit in April, support will continue through the year**
 - **Monthly newsletter will include link to training portal and elevating resource each month and monthly honoree. Hoping to start in April.**
- **Free QPR Training Codes**
- **MHFA Sponsored training, application closed.**
- **Zero Suicide calls, monthly, last Tuesday @ 10:30**
- **Symposium Planning**
- **Updated [2020 data](#) from CDC**
 - **Wyoming is still first with 31.3 /100,000 suicide deaths**

Suicide Rate per 100,000 Residents by Year

Due to changes in the way data is collected, Self-Harm Hospitalization Rates are not comparable before 2016. There is no national comparison available for Self-Harm Hospitalizations.

- **CAMS-Care Sponsored Training**
 - **Collaborative Assessment and Management of Suicidality. therapeutic framework for suicide-specific assessment and treatment of a patient's suicidal risk. The clinician and patient engage in a highly interactive assessment process and the patient is actively involved in the development of their own treatment plan**
 - **50 trainees, roughly 10 hours of coursework, June 8 all-day training, application pushing out soon**

Work Group Updates:

- 1 Population Based (Megan Selheim, Ashley McRae, Jeremy Bay)
Discussing upstream approaches, getting into the communities, identifying risk factors.
- 2 Prevention Strategies (Beverly Shore, Jeremy Bay and Megan Selheim)
Breaking down what types of strategies they want to focus on and where they fit.
- 3 Access to Care (Jen Swaney, Andrea Shipley)
Discussed SWOT analysis and barriers to care- no telehealth, access to care, training gaps. Next meeting will discuss goals.
- 4 Policy and Planning (Ann Perkins, Jen Davis, Doug Bebout)
Watching to see other group goals and what policy implications they may need help on.

Next Meeting: June 2nd 12-2pm

Questions for me, WDH, or the large group?

- Ralph- Currently training someone that should get them to coverage for 4am-4pm slot that was otherwise not covered.
- Katie Baxter- Project AWARE- Suicide prevention, anti-bullying, and substance abuse. Offering counseling services, training for families and community members, YMHFA coming up. February SafeTALK and MHFA. Biggest barrier is lack of basic needs (childcare, food, transportation). 6 counties, ½ year, open to any collaboration to help fund and coordinate their efforts. Fremont, Park, Campbell, next will be Carbon, Unita, Sweetwater.
 - G42B potential to provide funding to provide childcare during training
 - Wyoming Telehealth can provide support if needed- Andrea Shipley
