Please check the box next to your answer or follow the directions included with the question. You may be asked to skip some questions that do not apply to you.

**BEFORE PREGNANCY**

The first questions are about you.

1. **How tall are you without shoes?**
   - _____ Feet    _____ Inches
   - OR    _____ Centimeters

2. **Just before you got pregnant with your new baby, how much did you weigh?**
   - _____ Pounds    OR    _____ Kilos

3. **What is your date of birth?**
   - _____ / _____ / _____
   - Month    Day    Year

The next questions are about the time before you got pregnant with your new baby.

4. **During the 3 months before you got pregnant with your new baby, did you have any of the following health conditions?** For each one, check No if you did not have the condition or Yes if you did.
   - a. Type 1 or Type 2 diabetes (not gestational diabetes or diabetes that starts during pregnancy) ........................................
   - b. High blood pressure or hypertension
   - c. Depression

5. **During the month before you got pregnant with your new baby, how many times a week did you take a multivitamin, a prenatal vitamin, or a folic acid vitamin?**
   - I didn't take a multivitamin, prenatal vitamin, or folic acid vitamin in the month before I got pregnant
   - 1 to 3 times a week
   - 4 to 6 times a week
   - Every day of the week

6. **In the 12 months before you got pregnant with your new baby, did you have any health care visits with a doctor, nurse, or other health care worker, including a dental or mental health worker?**
   - No
   - Yes
   - Go to Page 2, Question 9

7. **What type of health care visit did you have in the 12 months before you got pregnant with your new baby?**
   - Check ALL that apply
   - Regular checkup at my family doctor's office
   - Regular checkup at my OB/GYN's office
   - Visit for an illness or chronic condition
   - Visit for an injury
   - Visit for family planning or birth control
   - Visit for depression or anxiety
   - Visit to have my teeth cleaned by a dentist or dental hygienist
   - Other Please tell us: ____________________________
8. During any of your health care visits in the 12 months before you got pregnant, did a doctor, nurse, or other health care worker do any of the following things? For each item, check No if they did not or Yes if they did.

No Yes

a. Tell me to take a vitamin with folic acid... □ □
b. Talk to me about maintaining a healthy weight........................................□ □
c. Talk to me about controlling any medical conditions such as diabetes or high blood pressure........................................□ □
d. Talk to me about my desire to have or not have children........................................□ □
e. Talk to me about using birth control to prevent pregnancy........................................□ □
f. Talk to me about how I could improve my health before a pregnancy ........................................□ □
g. Talk to me about sexually transmitted infections such as chlamydia, gonorrhea, or syphilis........................................□ □
h. Ask me if I was smoking cigarettes.............□ □
i. Ask me if someone was hurting me emotionally or physically ........................................□ □
j. Ask me if I was feeling down or depressed........................................□ □
k. Ask me about the kind of work I do .............□ □
l. Test me for HIV (the virus that causes AIDS).................................................................□ □

The next questions are about your health insurance coverage before, during, and after your pregnancy with your new baby.

9. During the month before you got pregnant with your new baby, what kind of health insurance did you have?

Check ALL that apply

- Private health insurance from my job or the job of my husband or partner
- Private health insurance from my parents
- Private health insurance from the Health Insurance Marketplace or HealthCare.gov
- Medicaid or Equality Care
- Kid Care (CHIP)
- TRICARE or other military health care
- Indian Health Service (IHS)
- Other health insurance → Please tell us:

□ I did not have any health insurance during the month before I got pregnant

10. During your most recent pregnancy, what kind of health insurance did you have for your prenatal care?

Check ALL that apply

- I did not go for prenatal care → Go to Question 11
- Private health insurance from my job or the job of my husband or partner
- Private health insurance from my parents
- Private health insurance from the Health Insurance Marketplace or HealthCare.gov
- Medicaid or Equality Care
- Kid Care (CHIP)
- TRICARE or other military health care
- Indian Health Service (IHS)
- Other health insurance → Please tell us:

□ I did not have any health insurance for my prenatal care
11. What kind of health insurance do you have now?

Check ALL that apply

- Private health insurance from my job or the job of my husband or partner
- Private health insurance from my parents
- Private health insurance from the Health Insurance Marketplace or HealthCare.gov
- Medicaid or Equality Care
- Kid Care (CHIP)
- TRICARE or other military health care
- Indian Health Service (IHS)
- Other health insurance

Please tell us:

- I do not have health insurance now

12. Thinking back to just before you got pregnant with your new baby, how did you feel about becoming pregnant?

Check ONE answer

- I wanted to be pregnant later
- I wanted to be pregnant sooner
- I wanted to be pregnant then
- I didn’t want to be pregnant then or at any time in the future
- I wasn’t sure what I wanted

13. How many weeks or months pregnant were you when you had your first visit for prenatal care?

- I didn’t go for prenatal care

Go to Page 4, Question 15

14. During any of your prenatal care visits, did a doctor, nurse, or other health care worker ask you any of the things listed below? For each item, check No if they did not ask you about it or Yes if they did.

a. If I knew how much weight I should gain during pregnancy

b. If I was taking any prescription medication

c. If I was smoking cigarettes

d. If I was drinking alcohol

e. If someone was hurting me emotionally or physically

f. If I was feeling down or depressed

g. If I was using drugs such as marijuana, cocaine, crack, or meth

h. If I wanted to be tested for HIV (the virus that causes AIDS)

i. If I planned to breastfeed my new baby

j. If I planned to use birth control after my baby was born
15. During the 12 months before the delivery of your new baby, did a doctor, nurse, or other health care worker offer you a flu shot or tell you to get one?
- No
- Yes

16. During the 12 months before the delivery of your new baby, did you get a flu shot?
- No
- Yes, before my pregnancy
- Yes, during my pregnancy

17. During your most recent pregnancy, did you have your teeth cleaned by a dentist or dental hygienist?
- No
- Yes

18. During your most recent pregnancy, did a home visitor come to your home to help you prepare for your new baby? A home visitor is a nurse, a health care worker, a social worker, or other person who works for a program that helps pregnant women.
- No
- Yes

19. During your most recent pregnancy, what did you think about breastfeeding your new baby?
- I knew I wanted to breastfeed
- I thought I might breastfeed
- I knew I would not breastfeed
- I didn’t know what to do about breastfeeding

20. During your most recent pregnancy, did you have any of the following health conditions? For each one, check No if you did not have the condition or Yes if you did.

- a. Gestational diabetes (diabetes that started during this pregnancy) ...........................................
- b. High blood pressure (that started during this pregnancy), pre-eclampsia or eclampsia............................................................
- c. Depression...........................................................................

21. Have you smoked any cigarettes in the past 2 years?
- No
- Yes  Go to Question 25

22. In the 3 months before you got pregnant, how many cigarettes did you smoke on an average day? A pack has 20 cigarettes.
- 41 cigarettes or more
- 21 to 40 cigarettes
- 11 to 20 cigarettes
- 6 to 10 cigarettes
- 1 to 5 cigarettes
- Less than 1 cigarette
- I didn’t smoke then

23. In the last 3 months of your pregnancy, how many cigarettes did you smoke on an average day? A pack has 20 cigarettes.
- 41 cigarettes or more
- 21 to 40 cigarettes
- 11 to 20 cigarettes
- 6 to 10 cigarettes
- 1 to 5 cigarettes
- Less than 1 cigarette
- I didn’t smoke then
24. **How many cigarettes do you smoke on an average day now?** A pack has 20 cigarettes.

- [ ] 41 cigarettes or more
- [ ] 21 to 40 cigarettes
- [ ] 11 to 20 cigarettes
- [ ] 6 to 10 cigarettes
- [ ] 1 to 5 cigarettes
- [ ] Less than 1 cigarette
- [ ] I don’t smoke now

The next questions are about using other tobacco products around the time of pregnancy.

**E-cigarettes (electronic cigarettes) and other electronic nicotine products** (such as vape pens, e-hookahs, hookah pens, e-cigars, e-pipes) are battery-powered devices that use nicotine liquid rather than tobacco leaves, and produce vapor instead of smoke.

A **hookah** is a water pipe used to smoke tobacco. It is not the same as an e-hookah or hookah pen.

25. **Have you used any of the following products in the past 2 years?** For each item, check **No** if you did not use it or **Yes** if you did.

<table>
<thead>
<tr>
<th>No</th>
<th>Yes</th>
</tr>
</thead>
<tbody>
<tr>
<td>a. E-cigarettes or other electronic nicotine products ............................................................</td>
<td>[ ]</td>
</tr>
<tr>
<td>b. Hookah ................................................................</td>
<td>[ ]</td>
</tr>
<tr>
<td>c. Chewing tobacco, snuff, snus, or dip........</td>
<td>[ ]</td>
</tr>
</tbody>
</table>

If you used e-cigarettes or other electronic nicotine products in the past 2 years, go to Question 26. Otherwise, go to Question 28.

26. **During the 3 months before** you got pregnant, on average, how often did you use e-cigarettes or other electronic nicotine products?

- [ ] More than once a day
- [ ] Once a day
- [ ] 2-6 days a week
- [ ] 1 day a week or less
- [ ] I did not use e-cigarettes or other electronic nicotine products then

The next questions are about drinking alcohol around the time of pregnancy.

27. **During the last 3 months of your pregnancy,** on average, how often did you use e-cigarettes or other electronic nicotine products?

- [ ] More than once a day
- [ ] Once a day
- [ ] 2-6 days a week
- [ ] 1 day a week or less
- [ ] I did not use e-cigarettes or other electronic nicotine products then

28. **Have you had any alcoholic drinks in the past 2 years?** A drink is 1 glass of wine, wine cooler, can or bottle of beer, shot of liquor, or mixed drink.

- [ ] No
- [ ] Yes

Go to Page 6, Question 31

29. **During the 3 months before** you got pregnant, how many alcoholic drinks did you have in an average week?

- [ ] 14 drinks or more a week
- [ ] 8 to 13 drinks a week
- [ ] 4 to 7 drinks a week
- [ ] 1 to 3 drinks a week
- [ ] Less than 1 drink a week
- [ ] I didn’t drink then
30. During the last 3 months of your pregnancy, how many alcoholic drinks did you have in an average week?

- 14 drinks or more a week
- 8 to 13 drinks a week
- 4 to 7 drinks a week
- 1 to 3 drinks a week
- Less than 1 drink a week
- I didn’t drink then

Pregnancy can be a difficult time. The next questions are about things that may have happened before and during your most recent pregnancy.

31. This question is about things that may have happened during the 12 months before your new baby was born. For each item, check **No** if it did not happen to you or **Yes** if it did. (It may help to look at the calendar when you answer these questions.)

<table>

</table>

32. During the 12 months before your new baby was born, did you ever eat less than you felt you should because there wasn’t enough money to buy food?

- No
- Yes
33. During the 12 months before your new baby was born, did you feel emotionally upset (for example, angry, sad, or frustrated) as a result of how you were treated based on your race?

- No
- Yes

34. In the 12 months before you got pregnant with your new baby, did any of the following people push, hit, slap, kick, choke, or physically hurt you in any other way? For each person, check No if they did not hurt you during this time or Yes if they did.

- My husband or partner
- My ex-husband or ex-partner
- Another family member
- Someone else

35. During your most recent pregnancy, did any of the following people push, hit, slap, kick, choke, or physically hurt you in any other way? For each person, check No if they did not hurt you during this time or Yes if they did.

- My husband or partner
- My ex-husband or ex-partner
- Another family member
- Someone else

36. When was your new baby born?

- Month
- Day
- Year

37. Did your doctor, nurse, or other health care worker try to induce your labor (start your contractions using medicine)?

- No
- Yes
- I don’t know

38. Why did your doctor, nurse, or other health care worker try to induce your labor (start your contractions using medicine)?

- My water broke and there was a fear of infection
- I was past my due date
- My health care provider worried about the size of the baby
- My baby was not doing well and needed to be born
- I had a complication in my pregnancy (such as low amniotic fluid or pre-eclampsia)
- I wanted to schedule my delivery
- I wanted to give birth with a specific health care provider
- Other

39. How was your new baby delivered?

- Vaginally
- Cesarean delivery (c-section)
40. What was the reason that your new baby was born by cesarean delivery (c-section)?

- I had a previous cesarean delivery (c-section)
- My baby was in the wrong position (such as breech)
- I was past my due date
- My health care provider worried that my baby was too big
- I had a medical condition that made labor dangerous for me (such as heart condition, physical disability)
- I had a complication in my pregnancy (such as pre-eclampsia, placental problems, infection, preterm labor)
- My health care provider tried to induce my labor, but it didn’t work
- Labor was taking too long
- The fetal monitor showed that my baby was having problems before or during labor (fetal distress)
- I wanted to schedule my delivery
- I didn’t want to have my baby vaginally
- Other

Please tell us:

41. After your baby was delivered, how long did he or she stay in the hospital?

- Less than 24 hours (less than 1 day)
- 24 to 48 hours (1 to 2 days)
- 3 to 5 days
- 6 to 14 days
- More than 14 days
- My baby was not born in a hospital
- My baby is still in the hospital

42. Is your baby alive now?

- No
- Yes

We are very sorry for your loss.

43. Is your baby living with you now?

- No
- Yes

44. Before or after your new baby was born, did you receive information about breastfeeding from any of the following sources? For each one, check No if you did not receive information from this source or Yes if you did.

- My doctor
- A nurse, midwife, or doula
- A breastfeeding or lactation specialist
- My baby’s doctor or health care provider
- A breastfeeding support group
- A breastfeeding hotline or toll-free number
- Family or friends
- Other

Please tell us:

45. Did you ever breastfeed or pump breast milk to feed your new baby, even for a short period of time?

- No
- Yes

46. Are you currently breastfeeding or feeding pumped milk to your new baby?

- No
- Yes

47. How many weeks or months did you breastfeed or feed pumped milk to your baby?

- Less than 1 week
- _______ Weeks OR _______ Months
48. What were your reasons for stopping breastfeeding? Check ALL that apply
- My baby had difficulty latching or nursing
- Breast milk alone did not satisfy my baby
- I thought my baby was not gaining enough weight
- My nipples were sore, cracked, or bleeding or it was too painful
- I thought I was not producing enough milk, or my milk dried up
- I had too many other household duties
- I felt it was the right time to stop breastfeeding
- I got sick or I had to stop for medical reasons
- I went back to work
- I went back to school
- My partner did not support breastfeeding
- My baby was jaundiced (yellowing of the skin or whites of the eyes)
- Other

Please tell us:

If your baby was not born in a hospital, go to Question 50.

49. This question asks about things that may have happened at the hospital where your new baby was born. For each item, check No if it did not happen or Yes if it did.

<table>
<thead>
<tr>
<th>No</th>
<th>Yes</th>

</tbody>
</table>

If your baby is still in the hospital, go to Page 10, Question 55.

50. In which one position do you most often lay your baby down to sleep now? Check ONE answer
- On his or her side
- On his or her back
- On his or her stomach
51. In the *past 2 weeks*, how often has your new baby slept alone in his or her own crib or bed?

- Always
- Often
- Sometimes
- Rarely
- Never

Go to Question 53

52. When your new baby sleeps alone, is his or her crib or bed in the same room where *you* sleep?

- No
- Yes

53. Listed below are some more things about how babies sleep. How did your new baby *usually* sleep in the *past 2 weeks*? For each item, check **No** if your baby did not *usually* sleep like this or **Yes** if he or she did.

- a. In a crib, bassinet, or pack and play ...........  
- b. On a twin or larger mattress or bed ...........  
- c. On a couch, sofa, or armchair .......................  
- d. In an infant car seat or swing ......................  
- e. In a sleeping sack or wearable blanket .........  
- f. With a blanket ..................................................  
- g. With toys, cushions, or pillows, including nursing pillows ........................................  
- h. With crib bumper pads (mesh or non-mesh) ..........................................................  

Go to Question 53

54. Did a doctor, nurse, or other health care worker tell you any of the following things? For each thing, check **No** if they did not tell you or **Yes** if they did.

- a. Place my baby on his or her back to sleep ..........................................................  
- b. Place my baby to sleep in a crib, bassinet, or pack and play .........................  
- c. Place my baby's crib or bed in my room .....................................................  
- d. What things should and should not go in bed with my baby ............................  

Go to Question 53

55. *Since your new baby was born*, has a home visitor come to your home to help you learn how to take care of yourself or your new baby? A home visitor is a nurse, a health care worker, a social worker, or other person who works for a program that helps mothers of newborns.

- No
- Yes

56. Are you or your husband or partner doing anything *now* to keep from getting pregnant? Some things people do to keep from getting pregnant include having their tubes tied, using birth control pills, condoms, withdrawal, or natural family planning.

- No
- Yes

Go to Question 58

57. What are your reasons or your husband’s or partner’s reasons for not doing anything to keep from getting pregnant *now*?

Check ALL that apply

- I want to get pregnant
- I am pregnant now
- I had my tubes tied or blocked
- I don’t want to use birth control
- I am worried about side effects from birth control
- I am not having sex
- My husband or partner doesn’t want to use anything
- I have problems paying for birth control
- Other Please tell us:

Go to Question 58
If you or your husband or partner is not doing anything to keep from getting pregnant now, go to Question 59.

58. What kind of birth control are you or your husband or partner using now to keep from getting pregnant?

Check ALL that apply

- Tubes tied or blocked (female sterilization or Essure®)
- Vasectomy (male sterilization)
- Birth control pills
- Condoms
- Shots or injections (Depo-Provera®)
- Contraceptive patch (OrthoEvra®) or vaginal ring (NuvaRing®)
- IUD (including Mirena®, ParaGard®, Liletta®, or Skyla®)
- Contraceptive implant in the arm (Nexplanon® or Implanon®)
- Natural family planning (including rhythm method)
- Withdrawal (pulling out)
- Not having sex (abstinence)
- Other

Please tell us:

59. Since your new baby was born, have you had a postpartum checkup for yourself? A postpartum checkup is the regular checkup a woman has about 4-6 weeks after she gives birth.

- No
- Yes

Go to Question 61

60. During your postpartum checkup, did a doctor, nurse, or other health care worker do any of the following things? For each item, check No if they did not do it or Yes if they did.

<table>

- $48,001 to $57,000
- $57,001 to $60,000
- $60,001 to $73,000
- $73,001 to $85,000
- $85,001 or more

69. During the 12 months before your new baby was born, how many people, including yourself, depended on this income?

_____ People

70. What is today’s date?

_____ / _____ / 20__

Month Day Year

The next questions are about the use of pain relievers during pregnancy.

O1. During your most recent pregnancy, did you use any of the following over-the-counter pain relievers? Over-the-counter pain relievers are those usually available without a prescription. For each one, check No if you did not use it during your pregnancy or Yes if you did.

No Yes

- a. Acetaminophen (like regular Tylenol®, Tylenol Extra Strength®, or Tylenol PM®)
- b. Ibuprofen (like Motrin® or Advil®), including high dose pills that may be prescribed
- c. Aspirin (like Bayer® or Ecotrin®)
- d. Naproxen (like Aleve® or Midol®)

O2. During your most recent pregnancy, did you use any of the following prescription pain relievers? For each one, check No if you did not use it during your pregnancy or Yes if you did. Do not include pain relievers you used only during labor and delivery.

No Yes

- a. Hydrocodone (like Vicodin®, Norco®, or Lortab®)
- b. Codeine (like Tylenol® #3 or #4, not regular Tylenol®)
- c. Oxycodone (like Percocet®, Percodan®, OxyContin®, or Roxicodone®)
- d. Tramadol (like Ultram® or Ultracet®)
- e. Hydromorphone or meperidine (like Demorol®, Exalgo®, or Dilaudid®)
- f. Oxymorphone (like Opana®)
- g. Morphine (like MS Contin®, Avinza®, or Kadian®)
- h. Fentanyl (like Duragesic®, Fentora®, or Actiq®)

If you checked “Yes” for any of the options in Question O2, continue with the next question. If not, go to Page 15, Question O10.
The next questions are only about the use of prescription pain relievers listed in Question O2.

O3. Where did you get the prescription pain relievers that you used during your most recent pregnancy?

- OB-GYN, midwife, or prenatal care provider
- Family doctor or primary care provider
- Dentist or oral health care provider
- Doctor in the emergency room
- I had pain relievers left over from an old prescription
- Friend or family member gave them to me
- I got the pain relievers without a prescription some other way
- Other

Check ALL that apply.

O4. What were your reasons for using prescription pain relievers during your most recent pregnancy?

- To relieve pain from an injury, condition, or surgery I had before pregnancy
- To relieve pain from an injury, condition, or surgery that happened during my pregnancy
- To relax or relieve tension or stress
- To help me with my feelings or emotions
- To help me sleep
- To feel good or get high
- Because I was “hooked” or I had to have them
- Other

Check ALL that apply.

O5. In each of the following time periods during your pregnancy, for how many weeks or months did you use prescription pain relievers? Please write the total number of weeks or months in each time period.

a. In the first 3 months of pregnancy

______ Weeks OR ______ Months

- Less than a week
- Never

b. In the second 3 months of pregnancy

______ Weeks OR ______ Months

- Less than a week
- Never

c. In the last 3 months of pregnancy

______ Weeks OR ______ Months

- Less than a week
- Never

O6. During your most recent pregnancy, did you want or need to cut down or stop using prescription pain relievers?

- No
- Yes

Go to Question O10

O7. During your most recent pregnancy, did you have trouble cutting down or stopping use of the prescription pain relievers?

- No
- Yes
O8. During your most recent pregnancy, did you get help from a doctor, nurse, or other health care worker to cut down or stop using prescription pain relievers?

- No
- Yes

Go to Question O10

O9. During your most recent pregnancy, did you receive medication-assisted treatment to help you stop using prescription pain relievers? This is when a doctor prescribes medicines such as methadone, buprenorphine, Suboxone®, Subutex®, or naltrexone (Vivitrol®).

- No
- Yes

O10. Do you think the use of prescription pain relievers during pregnancy could be harmful to a baby’s health?

Check ONE answer

- Not harmful at all
- Not harmful, if taken as prescribed
- Harmful, even if taken as prescribed

O11. Do you think the use of prescription pain relievers could be harmful to a woman’s own health?

Check ONE answer

- Not harmful at all
- Not harmful, if taken as prescribed
- Harmful, even if taken as prescribed

O12. At any time during your most recent pregnancy, did a doctor, nurse, or other health care worker talk with you about how using prescription pain relievers during pregnancy could affect a baby?

- No
- Yes

The next question is about the use of other medications or drugs during pregnancy.

O13. During your most recent pregnancy, did you take or use any of the following medications or drugs for any reason? For each item, check No if you did not take or use it or Yes if you did.

No Yes

a. Medication for depression (like Prozac®, Zoloft®, Lexapro®, Paxil®, or Celexa®) ....... ☐ ☐

b. Medication for anxiety (like Valium®, Xanax®, Ativan®, Klonopin®, or other “benzos” (benzodiazepines)) ......................... ☐ ☐

c. Methadone, Subutex®, Suboxone®, or buprenorphine ........................................................................................................... ☐ ☐

d. Naloxone ............................................................................................................ ☐ ☐

e. Cannabidiol (CBD) products ............................................................................ ☐ ☐

f. Adderall®, Ritalin®, or another stimulant ............................................................ ☐ ☐

g. Marijuana or hash .................................................................................................... ☐ ☐

h. Synthetic marijuana (K2, Spice) ................................................................. ☐ ☐

i. Heroin (smack, junk, Black Tar, or Chiva) .......................................................... ☐ ☐

j. Amphetamines (uppers, speed, crystal meth, crank, ice, or aqua) ................................................................. ☐ ☐

k. Cocaine (crack, rock, coke, blow, snow, or nieve) .................................................. ☐ ☐

l. Tranquilizers (downers or ludes) .................................................................................. ☐ ☐

m. Hallucinogens (LSD/acid, PCP/angel dust, Ecstasy, Molly, mushrooms, or bath salts) .................................................................................. ☐ ☐

n. Sniffing gasoline, glue, aerosol spray cans, or paint to get high (huffing) ................... ☐ ☐
These next questions are about your experiences with prenatal care, delivery, postpartum care, and infant care during the COVID-19 pandemic.

CV1. During the COVID-19 pandemic, which types of prenatal care appointments did you attend?

- [ ] In-person appointments only
- [ ] Virtual appointments (video or telephone) only
- [ ] Both, in-person and virtual appointments
- [ ] I did not have prenatal care

Check ONE answer

Go to Question CV3

CV2. What are the reasons that you did not attend virtual appointments for prenatal care? For each one, check No if it was not a reason or Yes if it was.

- [ ] No
- [ ] Yes

a. Lack of availability of virtual appointments from my provider
b. Lack of an available telephone to use for appointments
c. Lack of enough cellular data or cellular minutes
d. Lack of a computer or device
e. Lack of internet service or had unreliable internet
f. Lack of a private or confidential space to use
g. I preferred seeing my health care provider in person
h. Other reason

Please tell us:

CV3. Were any of your prenatal care appointments canceled or delayed during the COVID-19 pandemic due to the following reasons? For each one, check No if your appointments were not canceled or delayed for that reason or Yes if they were.

- [ ] No
- [ ] Yes

a. My appointments were canceled or delayed because my provider's office was closed or had reduced hours
b. I canceled or delayed because I was afraid of being exposed to COVID-19 during the appointments
c. I canceled or delayed because I lost my health insurance during the COVID-19 pandemic
d. I canceled or delayed because I had problems finding care for my children or other family members
e. I canceled or delayed because I worried about taking public transportation and had no other way to get there
f. My appointments were canceled or delayed because I had to self-isolate due to possible COVID-19 exposure or infection
CV4. While you were pregnant, how often did you do the following things to avoid getting COVID-19? For each one, check: A if you always did it, S if you sometimes did it, or N if you never did it.

If your baby was not born in the hospital, go to Page 18, Question CV9.

CV6. Who was with you in the hospital delivery room as a support person during your labor and delivery?

- My husband or partner
- Another family member or friend
- A doula
- Some other support person (not including hospital staff)
  Please tell us:
  
  
- The hospital did not allow me to have any support people
If your baby is not alive, go to Question CV10.

CV7. While in the hospital after your delivery, did any of the following things happen to you and your baby because of COVID-19? For each one, check No if it did not happen or Yes if it did.

No Yes

a. My baby was tested for COVID-19 in the hospital

b. I was separated from my baby in the hospital after delivery to protect my baby from COVID-19

c. I wore a mask when other people came into my hospital room

d. I wore a mask while I was alone caring for my baby in the hospital

e. I was given information about how to protect my baby from COVID-19 when I went home

If you did not breastfeed your new baby, go to Question CV9.

CV8. Did the COVID-19 pandemic affect breastfeeding for you and your baby in any of the following ways? For each one, check No if it did not apply to you or Yes if it did.

No Yes

a. I was given information in the hospital about how to protect my baby from infection while breastfeeding

b. I wore a mask while breastfeeding in the hospital

c. I pumped breast milk in the hospital so someone else could feed my baby to avoid him or her getting infected

d. Due to COVID-19, I had trouble getting a visit from a lactation specialist while I was in the hospital

If your baby is not living with you, go to Question CV10.

CV9. In what ways did the COVID-19 pandemic affect your baby’s routine health care? For each one, check No if the pandemic did not affect your baby’s health care in this way or Yes if it did.

No Yes

a. My baby’s well visits or checkups were canceled or delayed

b. My baby’s well visits or checkups were changed from in-person visits to virtual appointments (video or telephone)

c. My baby’s immunizations were postponed

CV10. During the COVID-19 pandemic, which types of postpartum appointments did you attend for yourself?

Check ONE answer

- In-person appointments only
- Virtual appointments (video or telephone) only
- Both, in-person and virtual appointments
- I did not have any postpartum appointments for myself
CV11. Did any of the following things happen to you due to the COVID-19 pandemic? For each one, check No if it did not happen or Yes if it did.

<table>

<td>☐ ☐</td>
</tr>
</tbody>
</table>

VC2. During your most recent pregnancy, did you get at least one shot or dose of a COVID-19 vaccine?

☐ No ☐ Yes

Go to Page 20, Question VC5

Go to Page 20, Question VC3
**VC3. What were your reasons for not getting a COVID-19 vaccine during your most recent pregnancy?**

Check ALL that apply

- I was not in one of the groups that could get the COVID-19 vaccine
- The vaccine was not available or ran out in my area
- I couldn’t get an appointment or was placed on a waiting list
- I didn’t have transportation to get to a vaccination site
- The staff at the vaccination site didn’t want to give me the vaccine because I was pregnant
- I was concerned about possible side effects of the COVID-19 vaccine for my baby
- I was concerned about possible side effects of the COVID-19 vaccine for me
- I have an allergy or health condition that prevented me from getting the vaccine
- My doctor or healthcare provider told me not to get the vaccine
- I had gotten the COVID-19 vaccine before my pregnancy
- I already had COVID-19
- I didn’t have enough information about the vaccine to feel comfortable getting it
- I was concerned that the COVID-19 vaccine was developed too fast
- I didn’t think the vaccine would protect me against COVID-19
- I didn’t think COVID-19 was a serious illness
- I didn’t think I was at risk for COVID-19 infection
- I preferred using masks and other precautions instead
- I don’t think vaccines are beneficial
- Other reason
  Please tell us:

**VC4. Since your new baby was born, have you gotten a COVID-19 vaccine?**

- No
- Yes

**VC5. Which ONE of these sources do you trust the most for receiving information about the COVID-19 vaccine?**

Check ONE answer

- My doctor, nurse, or other health care provider
- My pharmacist
- Centers for Disease Control and Prevention (CDC) website or reports
- Food and Drug Administration (FDA) website or reports
- My state or local health department
- Family or friends
- News reports (such as television or radio news)
- Social media sites like Facebook
- Websites about health or other topics
  Please tell us which sites:

- Some other source
  Please tell us what source:
VC6. Which of the following describes your work or volunteer activities during your most recent pregnancy?

Check ALL that apply

- I worked or volunteered providing direct medical care to patients (such as being a doctor, nurse, dentist, therapist, home health care provider, or emergency responder)
- I worked or volunteered in a health care setting, but not providing direct medical care to patients (such as being administrative staff, cleaning staff, patient transport, or ward clerk)
- I worked or volunteered in a position where I regularly came into contact with the public (such as education, grocery or retail stores, public transportation, restaurants or food service, law enforcement, or postal or delivery services)
- I worked or volunteered in a position where I did not regularly come in contact with the public
- None of the above
Please use this space for any additional comments you would like to make about your experiences around the time of your pregnancy or the health of mothers and babies in Wyoming.

Thanks for answering our questions!

Your answers will help us work to keep mothers and babies in Wyoming healthy.
