

It is hard to believe that this is our 8th year of putting on the trauma conference. We have come a long way in 8 years and we have all of you to thank. Since it is the end of Cheyenne Frontier Days it is time for Bryan, Rob, Tracey, Susan, and I to hit the ground running putting this year's conference together.

We are working hard to get it together

We know a lot of you depend on our conference for re-certification. If you know of someone that would like to teach this year please send them our way. As in the past, the conference will be held at Laramie County Community College, 1400 E College Dr, Cheyenne, WY 82007, in room 129 in the Center for Conferences & Institutes (CCI) building.

Please get Registered ASAP!

We are asking that you sign up as early as possible and if for some reason you are unable to attend that you let us know as soon as possible so that we can make sure we don't overspend on meals. Keeping our prices low while providing lunches is a challenge, please help us out by registering early and letting us know if for some reason you are unable to attend. We look forward to seeing all the familiar faces along with some new ones.

As you all may have heard the state is no longer doing a conference. We really want to do our best to fill that gap. So don't miss out on 21 hours of CE's in just 3 days for \$100, 14 CE's in 2 days for \$75, or 7 CE's in 1 day for \$45. Each day lunch and snacks are provided. We are asking everyone to please register by September 23rd so that we can have an accurate count for lunches on Thursday, Friday, and Saturday. After September 26th we will not be able to guarantee that you will have lunch included in your registration fee. Just click the link below and fill out the registration form. You can choose to pay through pay-pal using your credit/debit card, or you can pay at the door with cash or check.

To Register go to www.laramiecountytraumaconference.org
