### OBJECTIVES

1. Recognize patient populations that will benefit from age-appropriate vaccination.
2. Recognize important concepts related to successful vaccine therapy, increasing immunization coverage rates.
3. Define strategies to prevent vaccine storage and handling errors.
4. Name three ways to utilize reports from within the WyIR to monitor data quality and manage vaccine inventories.

5. Describe different communication techniques that teams can use to achieve successful vaccine therapy in individuals and the community.

## ACCREDITATION STATEMENTS:

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by Centers for Disease Control and Prevention and the Wyoming Department of Health. The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team

**CME:** The Centers for Disease Control and Prevention designates this **live** activity for a maximum of **7.25** AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **AAPA CME: Credit Designation Statement – Live**

The Centers for Disease Control and Prevention has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for **7.25** AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

**CNE:** The Centers for Disease Control and Prevention designates this activity for **7.25** nursing contact hours.

**CEU:** The Centers for Disease Control and Prevention is authorized by IACET to offer **0.7** CEU's for this program.

**CECH:** Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES®) and/or Master Certified Health Education Specialists (MCHES®) to receive up to **7.5** total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are **0**. Continuing Competency credits available are **0**. CDC provider number **98614**.

## For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer **8.0** CPH recertification credits for this program.

**DISCLOSURE:** In compliance with continuing education requirements, all planners and presenters/moderators must disclose all financial relationships, in any amount, with ineligible companies during the previous 24 months as well as any use of unlabeled product(s) or products under investigational use.

CDC, our planners, and presenters/moderators wish to disclose they have no financial relationship(s) with ineligible companies with the exception of Dr. Deanna Kepka and she wishes to disclose she works with Merck.

All of the relevant financial relationships listed for these individuals have been mitigated.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept financial or in-kind support from ineligible companies for this continuing education activity.
