

HOW DO I DELETE MY IMMUNIZATION RECORD SEARCH HISTORY

Follow these instructions to delete your search history from the Immunization Search History screen.

1. Select your search.

Tap on the search that you would like to delete.

Note: Deleting your search history will also delete your corresponding records from the Docket app. You can search again for your records to make them available again in Docket® or request a copy from your healthcare provider or local public health agency.

2. Select “Review”.

Tap “Review” when prompted to view your immunization record search criteria.

3. Tap the garbage bin.

Tap the garbage bin icon located on the top-right corner of the screen.

Note: You can delete all of your Docket® data by deleting your account. Select the “Delete Account” option from Setting & Info off of the main menu.
