

# Wyoming Institute for Disabilities (WIND) FASI plan

---

# What will WIND be doing?

---

WIND will be conducting FASI evaluations with participants starting this summer

---

This process will be similar to the ICAP, but it will not impact any funding you receive

---

Evaluations will be conducted by trained assessors within WIND

---

Evaluations take about 1 hour

# What will you be expected to do?

---

You will receive an email and letter that explains the study two weeks before we contact you to schedule a time to complete the FASI

---

Within the email and flyer, there will be a QR code/link to a survey to let us know your preferred day and time of contact

---

Completing this survey will allow us to contact you when it is most convenient for you

---

We will contact you to set up a time to complete the FASI

---

You will receive \$50 for completing the FASI

# Contact Survey

When you receive our letter about the FASI in the mail, there will be a QR code on it

This QR code will bring you to a survey where you can tell us your preferred day and time of day to contact you

Scan the QR code with your phone camera to get to the survey

The QR code will look like this

# Contact Survey

- When you scan the QR code, you will be asked about your relationship with the individual on the waiver, and what time of day and what day of the week it is best to contact you to schedule a FASI assessment
  - Choose all days and times that work for you
- You can also give us more specific preferences in the box at the bottom
- Hit submit to send your answers to us, and we will review your preferences

What is your relationship to the individual on the waiver?  
\* must provide value

Family member  
 Case manager  
 Support professional  
 Other legal guardian  
 Self  
 Other

reset

If other, please describe your relationship to this individual:

Are you knowledgeable about this individual's functioning and ability to complete tasks of daily living?  
\* must provide value

Yes  
 No

reset

If you are not knowledgeable about this individual's functioning levels, who should we contact that may be more knowledgeable?

Expand

What time of day is best to contact you?

Morning  
 Afternoon  
 Evening

What day of the week is best to contact you?

Monday  
 Tuesday  
 Wednesday  
 Thursday  
 Friday

If you would like to be contacted at a certain time and/or date, please indicate that here
