General Updates

New National Maternal Health Hotline Phone Number

The National Maternal Mental Health Hotline has updated their number! The updated, toll-free, easy-to-remember number is [1-833-TLC-MAMA \(1-833-852-6262\)](tel:1-833-TLC-MAMA). If you or someone you know is a new or expecting parent who is struggling and in need of emotional support or resources, call or text now. The Hotline can be reached 24/7.

MMRC Report Now Available

The Wyoming Maternal Mortality Review Committee (MMRC) report for all 2018-2020 cases is now available to the public. This report goes over the findings and contributing factors, including recommendations made by the MMRC. The report and recommendations can be found on the Wyoming Department of Health's Maternal and Child Health [webpage](#). You can find the links to the report and recommendations at both the top and bottom of the webpage. Please share with your colleagues and your community!

Funding Available

The FY23 application for the [Healthy Start Initiative – Enhanced \(HSE\)](#) is now open on grants.gov. The purpose of the HSE is to improve health outcomes before, during, and after pregnancy and reduce racial/ethnic differences in rates of infant death and adverse perinatal outcomes. There is **\$11,000,000 available** for up to 10 awards.

Upcoming Training Opportunities and Webinars

- National Maternal Health Hotline, Informational Webinar for Tribal Communities. July 31, 11 am MT. [Register here](#).
- Enabling Breastfeeding, Making a Difference for Working Parents. August 1, 11:30 am MT. [Register here](#).
