**Cancer.** The very word can be overwhelming. Being proactive in cancer screenings is a crucial step in looking after your health.

**We're offering discounted mammograms throughout October. Call 307-885-5940 for your appointment!** If you're not sure what your schedule will look like, we're also providing a Walk-in Day on Wednesday, October 12. Come see us any time between 8 a.m. and 7 p.m.

**Need to know numbers:**

- Breast cancer makes up about 30% of new female cancer cases in the US each year.
- Breast cancer is the most common cancer diagnosis for women in Wyoming.
- Annual mammograms are recommended for women ages 40 and up.

**Early detection is the key to successful treatment.** We're here to walk this journey with you, and this appointment is your first step.
