General Updates

Maternal and Child Health Leadership Competencies

HRSA has updated its Maternal and Child Health Leadership Competencies. [View them here.](#)

New National Maternal Health Hotline Phone Number

The National Maternal Mental Health Hotline has updated their number! The updated, toll-free, easy-to-remember number is [1-833-TLC-MAMA](tel:1-833-TLC-MAMA) ([1-833-852-6262](tel:1-833-852-6262)). If you or someone you know is a new or expecting parent who is struggling and in need of emotional support or resources, call or text now. The Hotline can be reached 24/7.

Upcoming Webinars

- **Webinar:** Advancing Maternal Health with Data Equity. October 4, 5–6 PM ET. *Discover how data equity drives improved maternal and infant health outcomes in this webinar. Engage with subject matter experts and explore the vital role of providers in advancing maternal health through equitable data practices.* [Register here.](#)

Relevant Articles

- [Maternal Mortality Crisis and Extension of Medicaid Postpartum Coverage.](#) *JAMA*, August 2023.
- [One in 5 Women Reported Mistreatment While Receiving Maternity Care.](#) CDC, August 2023.

MMRC Report Now Available

The Wyoming Maternal Mortality Review Committee (MMRC) report for all 2018-2020 cases is now available to the public. The report and recommendations can be found on the Wyoming Department of Health's Maternal and Child Health [webpage](#). You can find the links to the report and recommendations at both the top and bottom of the webpage. Please share with your colleagues and your community!
